

"Be Prepared", say Boy Scouts.

BEFORE TOO LONG members of Boy Scout Troops 91 and 92 will be knocking on the doors of area residents as they launch a money raising project to purchase camping equipment for their respective organizations.

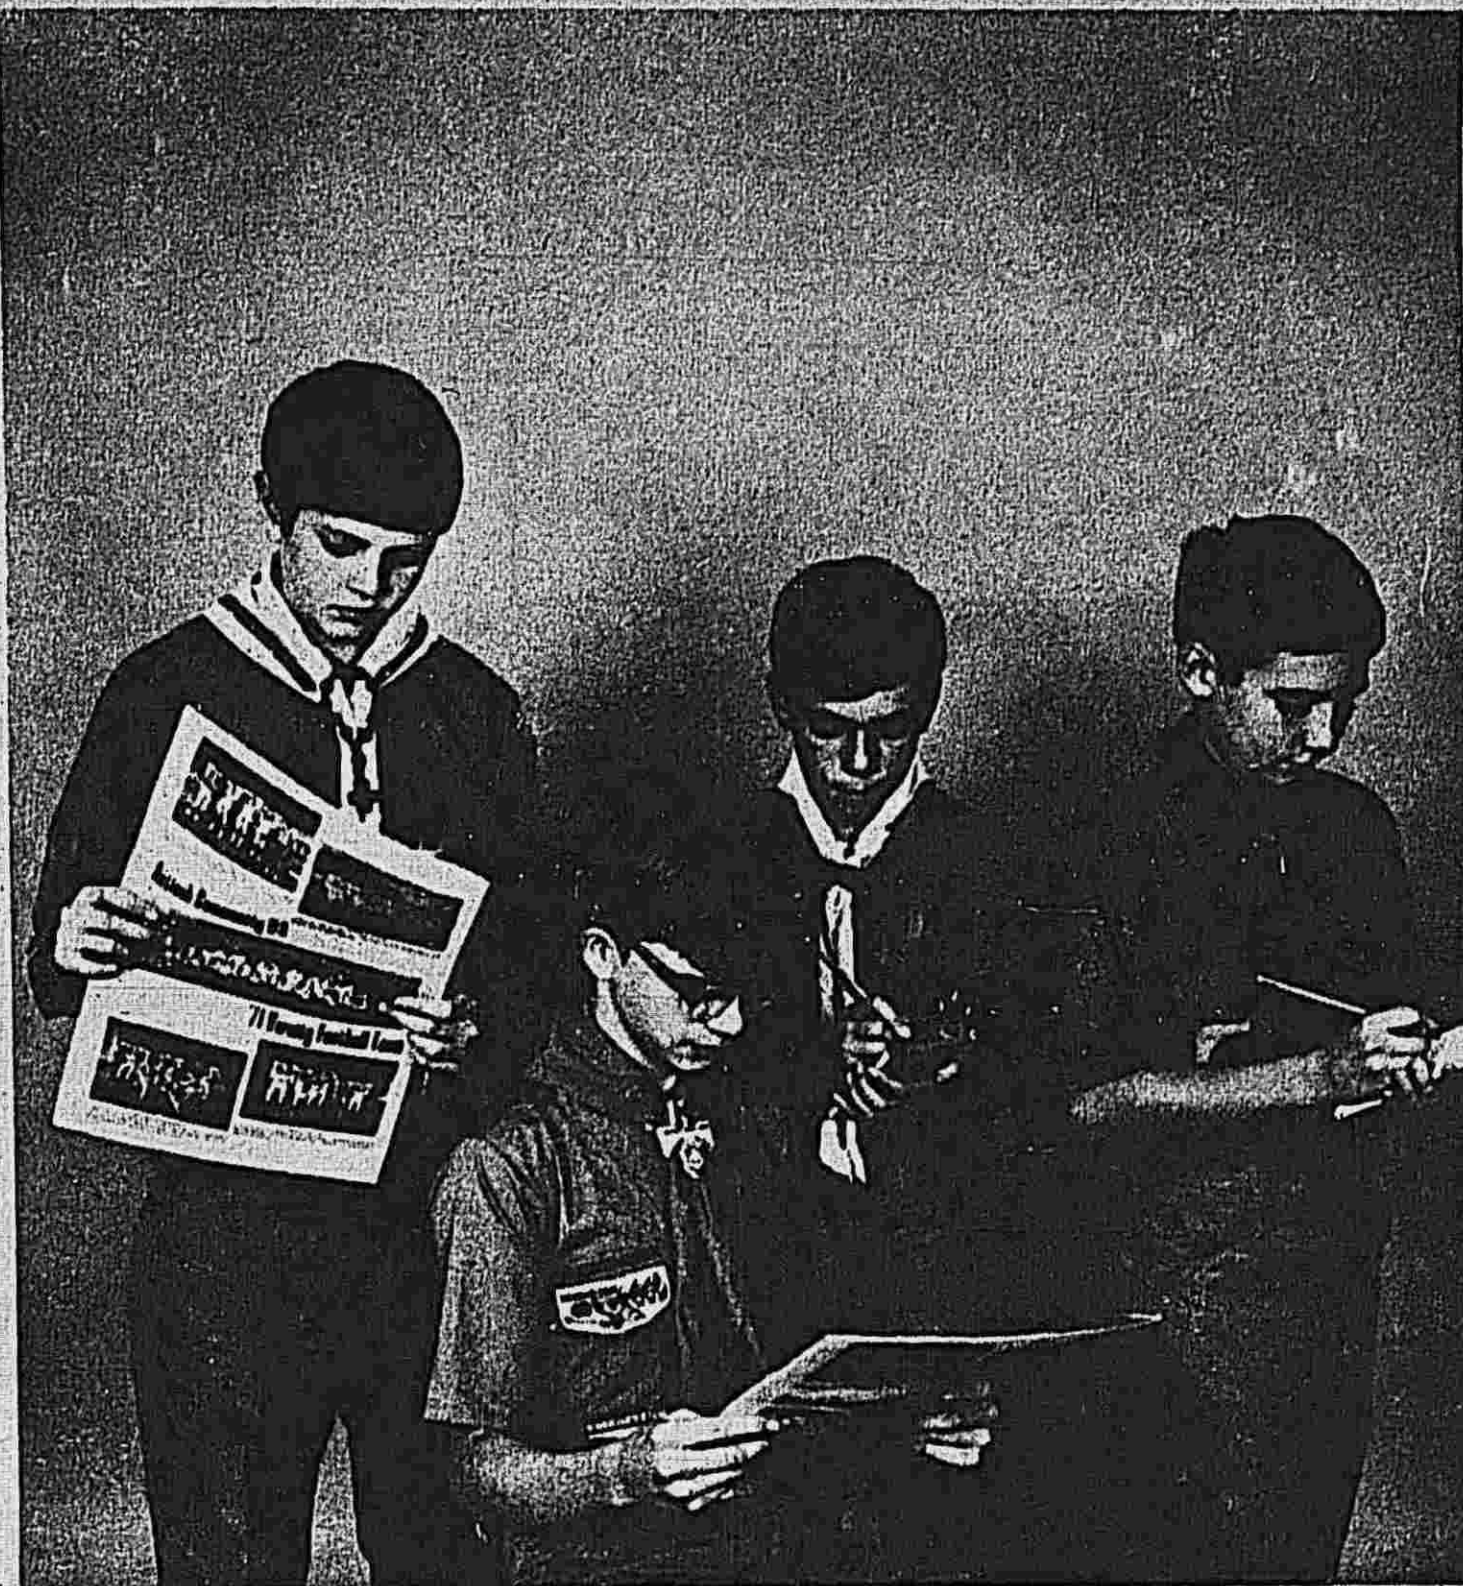

In a concentrated two week drive, October 4 - 13, the boys will be selling subscriptions to the **ANTIOCH NEWS**. A share of each sale will be retained in the troops' treasuries, while the top salesman for each troop will be awarded an individual prize.

People who take advantage of the Boy Scout Fund Drive subscription sale will start receiving their copy of the **ANTIOCH NEWS** with the October 20 issue.

So, do what you've been intending to do for a long time—subscribe or renew your subscription to the **NOW ANTIOCH NEWS** and, at the same time, help the Scouts of troops 91 and 92 carry on their tradition of an outstanding program for boys in the Antioch area.

Countryside Approved By Planning Commission

In a letter to H. C. Zerbe, Executive Director Countryside Hospital, Inc., the Northeastern Illinois Planning Commission as of August 4, 1971 approved the construction of a New general purpose hospital in Round Lake Beach. The Planning Committee found the proposed hospital construction to be consistent with the goals and policies of the Comprehensive general plan for Northeastern Illinois.

Members of Antioch Boy Scout Troops 91 and 92 look over their materials prior to starting out on their fund raising drive. Both troops plan to use the money they receive selling subscriptions to the **ANTIOCH NEWS** for camping equipment. Members of Troop 92, left to right, Mark Haley and David Edwards are shown with their friendly rivals of Troop 91, Mike Groth and Paul Maplethorpe.

Greatest feeling in the world - find something left on the parking meter from the other guys' nickel.

A C H S Celebrates Costa Rican Independence

150 years ago we received our independence from Spain. This date is impressed in the heart of every Costarican, no matter what part of the world he might be in. This is the time of renewing our promises in front of the altar of our native country, to think about better conditions of life for everybody.

September 15th, far away from my native country I felt the duty to tell everybody our great happiness in that date. I think that through dialogue, and through the knowledge of other countries is the only way we are going to come to peace and justice all over the world.

On September 15th, I brought to the high school our national anthem, and flags and posters of Costa Rica. I felt a chill when the Costa Rican national anthem was played and like brothers and sisters, the students and teachers of the high school, stood up in honor to hear my country's national anthem. I don't know why, but it was something indescribable to see people from another country showing reverence to the thing I love the most: my native country.

Later in the day, I gave about 10 speeches of 30 minutes each. Each one about my native country, our customs, feelings, ways of thinking, how our democracy works and the things we are working toward for my people. September 15th is the most glorious date in our history. I wanted to fulfill my part in this day by trying to cement the bonds of brotherhood between Costa Rica and the people from the USA.

Through the American Field Service I think that we can help establish friendly and fraternal bonds between the countries all over the world. The strengthening of world brotherhood is one of my goals in being an AFS student. I want to echo in others the struggles of our country and how the children of a single God can work together to make this a better world.

Please permit me to quote these words of the President of Costa Rica, Jose Figueres. These words appeared in my country's paper on Independence Day. "Today we are pledging in other battles: the battle to abolish poverty for our people, the battle to establish justice in the industrial world. We are at the end of the struggles for universal education, and at the beginning of the struggle for a nutritional diet for all our people".

This is the goal of all Latinamericans and we want all Americans to know our efforts and wishes. We need justice in commerce, justice in political relations and we can pursue these goals by membership in world brotherhood.

As an AFS student, I am here to learn. I want to find out new ideas, how the people feel respecting world affairs, feelings about daily struggles so that I may go home and tell my people about them. I think that every Latinamerican person must feel this duty of helping his native country in the best way that he can. My opportunity is this one, I want to serve as a carrier of a message of peace, justice, love and fraternity.

Illinois Bell Asks For Rate Increase

Citing a pressing need for rate relief, Illinois Bell Telephone today asked the Illinois Commerce Commission for its second general rate increase in 18 years.

President Charles L. Brown emphasized that the company was not asking for rate increases to be effective during the wage-price freeze. He said, however, that it was requesting the Commission to initiate hearings as promptly as possible in view of the urgency of its financial plight.

George A. Lincoln, director of the Office of Emergency Preparedness, he reported, recently ruled that "there is no federal policy requiring state agencies to postpone rate hearings. To the contrary, it is expected that state and federal agencies will continue to fulfill their administrative duties during the freeze as long as they do not grant rate increases

to take effect during the freeze."

Brown also noted the possible effects of the "post-freeze" economic stabilization program called for by President Nixon. "In any event," he declared, "we would expect that rate increases would be granted only in accordance with any lawful price restriction which may be imposed."

Effect of the rate proposal would be to increase Illinois Bell's annual revenues by about \$182 million, about half of which would go for taxes.

Past inflation already has eliminated all of the revenue benefit from the company's rate action of 1969, Brown pointed out.

"Since our last rate request," he said, "all costs of providing service have continued to rise, particularly wage costs. Substantial wage agreements for well over half of our employees represented by unions are now in effect. A similar offer has been made to System Council T-4, International Brotherhood of Electrical Workers, on which

bargaining is still in progress. Altogether, we estimate these agreements will result in an increase in company expense of about \$200 million during the three-year lives of the contracts.

"Stringent expense control as a way of life and fullest employment of improved communications technology simply have not stemmed the onrush of rising costs."

In comment on effect of the proposal for customers, Brown said: "During the last 10 years, the average price of telephone service has gone up 4 per cent, including last year's increase, while the cost of living has gone up 33 per cent. So even with the new rates we are proposing, telephone service will remain a bargain item."

He also said the company's construction program, needed to meet customers' growing needs for service, underlies the critical necessity for improvement in earnings performance which is now clearly inadequate.

"We're now spending more than \$1 million every day, on average, for construction," Brown said. "For 1971, the total will be about \$385 million, and for this decade we expect to spend \$5 billion. The greater portion of these dollars will have to be investors' dollars for which we must compete with other companies. Earning well, therefore, is a must if we are to continue to serve our customers well."

W. O. Messner, Antioch manager, outlined the following proposed typical increases in monthly charges.

For Antioch customers whose telephone numbers begin with the 395 prefix:

Residence - local area individual line from \$5.15 to \$6.65;

"Call-Pak 50" individual line from \$7.70 to \$10.00.

Business - local main line from \$11.35 to \$14.35;

Metropolitan service main line from \$14.85 to \$19.05.

Following are proposed changes in intrastate long distance rate schedules (initial period charges):

Customer-Dialed Station-to-Station Calls - Five to 15-cent reductions on daytime calls beyond 216 miles; three- to five-cent increases on daytime calls up to 166 miles daytime rate range of 18 to 95 cents replaces present range of 15 cents to \$1.15; evening and night rates, up three to five cents; overtime rates increase or decrease in proportion to these initial period rate changes.

Operator-Assisted Station-to-Station Calls - Rates for these calls, which necessitate operator attention, up 15 to 40 cents, but present 15-cent surcharge for collect, third-number and credit card calls eliminated.

Person-to-Person Calls - Some rates unchanged; others increased up to 40 cents.

Coin Telephone Calls - Increases of five to 40 cents, depending on distance (no change in 10-cent rate for local calls).

Titles II & III Bring Monies To Antioch GS

The Antioch Grade School Board met on September 22nd. They decided not to accept any of the bids that were received for Land Improvement or Seeding and Sodding.

Bids will be let again for Site Improvement.

The request from the Village for payment of \$150.00 for surveying of easement plot was denied.

A total payment of \$34,416.38 was approved for Scherrer with exception of \$10,000 for liquidated damages and \$5,000 for repair of gym floor.

The canvassing of voters on the 12½ cent Building Fund Referendum was taken and accepted. It showed a total of 763 votes cast. The voter turnout was very poor. The potential vote count is anywhere from 2,500 to 3,500.

The board approved the

motion to participate in Title II E.S.E.A. and Title III N.D.E.A., not to exceed 10% of monies budgeted for the specific title purposes.

Title II is an opportunity to increase and improve the school library through Federal Reimbursement. Last year \$1.10 per pupil was allotted. This must be met with reasonable local purchases but it need not be for the same amount.

Title III has to do with Educational Materials - audio visual aids and separate material for each subject, math, reading, english, etc.

Last year we realized a \$6,000 refund as a result of Title II and III. We have not yet received the money but it will come when the bills are presented.

Items we have purchased under Title III are: microscopes for labs, movie projec-

tor, tape recorder and all maps in the Social Studies room.

The purchase of two busses was approved. One will replace the one that was stolen and the other one will help to reduce the overcrowding problem. The total purchase price was \$7,400. We will receive \$1,500 from the insurance company so the total cash outlay will be \$5,900.

The two new busses ordered last April will not arrive here until October.

According to Mr. Meyer, the same transportation problem will be faced next fall. We will have to have another referendum or cut back to a 1½ mile bussing limit if the referendum doesn't pass.

The new Vehicle Passenger Code passed by the House in 1971 made it illegal to have children standing on a bus.

There was a special dele-

gation present from Oakwood Knolls. Mr. Robt. Olson, spokesman for the group told the board that the people from Oakwood Knolls want their children in the Antioch area schools, not bussed to the Channel Lake school. They will present their alternatives to the

board. The board passed a motion to have a special meeting with these people on Monday, September 27th after the Budget meeting.

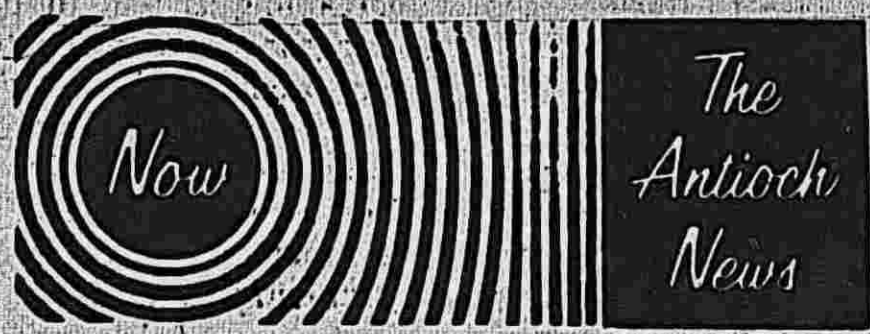

Now that Mr. Woods and Mr. Brooks have been appointed to the Planning Commission Board they will be able to help control new development so that land can be acquired and tax dollars may be saved.

The Certificate of Payment to Wagner Heating is being rewritten and will be considered later.

Crime Without Reason

MOST crimes that are committed each day in the United States have a motive of one kind or another. Either money or hatred can be said to be the reason behind most crimes. No motive or reason for a crime is good or justifiable, but at least there is a reason.

There is one crime that happens all the time that neither has a logical motive nor an explainable reason and that is malicious vandalism. This crime is one of the worst. It is in many cases impossible to prevent or control and because of the manner by which it is done it is very difficult for the police to apprehend the person or persons involved.

As a case in point this past week-end the Hillside Cemetery was vandalized. Many of the headstones destroyed can not be replaced nor can the families in question be contacted. Certainly this act of vandalism can have no reason, nor can the vandals have a motive. What "fun" vandals had in destroying the gravestones is impossible to understand.

The person or persons, young or old who committed the act, must be mentally sick and are in need of help. No one in their right mind could or would be part of such an act as destroying gravestones.

School reply

I read the articles concerning the student-school relations in your paper with much interest last week and would like to comment. Just what should we be concerned with? A quality education which appears to be the chief concern of the administration and teaching staff providing the best for our tax dollar or "freedom and liberties" from any regulation which seems to be the concern of a certain minority of the students?

I am in agreement with the administration as a tax payer. I want the most for my tax dollar and to have it spent as intended - for education. Anything that can alleviate the teachers of non-teaching duties so they can concentrate their energies to teaching and guiding our children, I'm in favor of. For example, we don't require our teaching staff to prepare cafeteria meals, why expect them to perform other lay duties and take them from their true purpose of employment?

The other comment I have is concerning the "student smok-

ing lounge." Our schools are supported through taxes levied locally, state, and federally. There are laws that provide this which we respect. There are also other laws that demand equal consideration and respect. One is concerning the sale of tobacco products to minors under 18 years of age. Why should a tax supported institution condone and encourage the use of tobacco by our children under 18 by providing them with an asylum for their habits.

If our generation of students is as open minded and free thinking as it claims, why can't it recognize that this law is not a punishment to those under 18, it is a protective law to keep them from being exploited at impressionable ages. The American Cancer Society will bare out the judgement of our fore-fathers in providing this law.

A very small minority of the student population has attained its 18th birthday. Lets use our tax dollars as intended - for the best for the majority in a building of classrooms - not lounges - for the education of our coming generations.

Name withheld by request.

Race Track Stock Problems

Over the past few weeks, it has been revealed that elective and appointed public officials have made highly profitable race track stock transactions. Judge and former Gov. Otto Kerner made over a million dollars, State Rep. Murphy (R) Antioch, made almost \$66,000 profit, while others, namely present Sec of State John Lewis, Cook County Board Chairman George Dunne have made huge profits also. Presently there is no law on the books saying those in public office can not purchase stock in race tracks. This week Gov. Ogilvie suggested closing the race track operations.

By doing such you are causing the State to lose millions in tax revenues, and in my view that would be foolish. I am in favor of a "disclosure of income law" for all public officials, as well as legislative restriction laws, barring public officials, elective or appointed from acquiring stock investments, in race track as well as other investments. I do believe these involved are guilty of mis-conduct, and does not represent a good government, causing only future "polarization" and misrepresents state government. The slate-making committee of both political parties, should not slate those involved in race track stock transactions. The Illinois racing Board, should make available to the press and the public names of all politicians involved, and listed as owning race track stock over the past five years. The race track stock issue will and should become a political issue in the state elections in 1972.

Very thankfully yours,
Charles Breenen

ACTION Toward Metric System

At long last it appears that the U. S. Congress will take action to establish the metric system of weights and measures as the official system of our country. This historic step comes more than 150 years after John Quincy Adams wrote a persuasive and comprehensive report for the Congress. Based on a four-year investigation, his study dealt with the advisability of modernizing the U. S. measurement system and suggested the possibility of adopting the metric system as Americas primary language of measurement.

Subsequent efforts were made, but each time action was postponed -- often because the metric system was not then in use by our major trading partners abroad. Now, with every other major nation converted to the metric system, or committed to conversion, this excuse has been removed.

Finally, in 1968, the Congress directed the Secretary of Commerce to undertake a three year study of converting to the metric system. This study, which was recently completed and submitted to the Congress, effectively synthesizes the opinions of representatives of industry, organized labor, small business, engineering and scientific disciplines, education at all levels, advertising, law, medicine, and almost every other group that could be affected by a change in the nation's system of measurement.

The Metric Study concludes that the United States should join the rest of the world in the use of the metric system as the common language of measurement. This conclusion results from findings that America is already metric in some respects, i.e. photography, optics, pharmaceuticals, etc., and that the great majority of business executives, educators, and others are convinced that increased use of the metric

Our Congressman

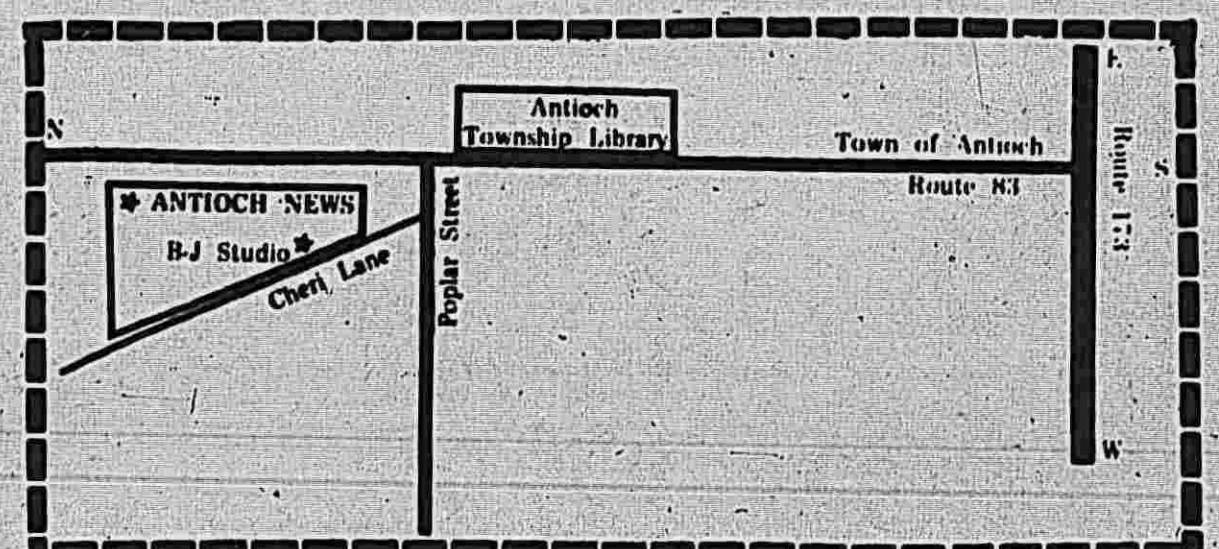

system is in the best interests of America.

The real question, then, is not merely whether or not the United States will replace its present measurement language with metric, but how and when the change will occur. The study indicates that substantial costs and difficulties will be encountered as the inevitable conversion to metric progresses; however, many of these obstacles could be eliminated by adoption of a national plan for conversion.

On the basis of 12 volumes of information collected during the investigation, the Metric Study recommends that the United States should change to the metric system through a coordinated national program over a period of ten years. During the transitional period, such informed organizations as the Metric Association, whose Secretary, Dr. Richard W. Mattoon of Abbott Laboratories, and whose Treasurer, Fred Helgren, are

residents of the 12th Congressional District, would undoubtedly be called upon to assist in the production of specific conversion timetables. According to the report, this coordination could reduce significantly the expenses and the time needed for conversion.

Developing a national program for change will require careful forethought and full discussion. Already, the House Committee on Science and Astronautics which recommended the 1968 legislation, has begun to examine the alternatives suggested by the Metric Study Report. It is becoming increasingly apparent to the Congress that a carefully planned transition, in which all concerned parties participate voluntarily, is preferable. The change will not come quickly nor without difficulty; but Americans working cooperatively can surmount the problems involved during the transition period, and in the final analysis will reap the benefits of a truly universal standard of measurement.

Because of the many inquiries as to the new location of the offices of ANTIOCH NEWS, the above map will help you find us.

Fire Prevention week will be held October 2 - 9.

NORTH SHORE GAS

SIGNS WAGE CONTRACT

Members of the I.B.E.W., Local No. 2285, AFL-CIO, have ratified a new nine-month contract with North Shore Gas Company, effective October 1, which will provide for an increase in wages and fringe benefits averaging 10.05 per cent when the national wage-freeze comes to an end.

In compliance with the President's economic policy, and because of the uncertainty of future stabilization efforts, the contract states that North Shore employees will not receive the wages and fringe benefit increases "until and to the extent that the company may do so under and consistent with such stabilization program."

The contract provides that "such deferred improvement shall be placed into effect as soon thereafter and with such retroactivity, if any, as may be done consistent with the stabilization program."

Contract terms provide for hourly wage increases ranging from 30 to 50 cents, averaging 41.73 cents per hour, or 9.29 per cent.

Improvements also were made in the vacation plan, providing for six weeks after 35 years of service. Under the old contract, employees received a maximum of five weeks after 24 years of service. An additional holiday, Good Friday, also was granted. The total offer averaged 45.13 cents per hour, or 10.05 per cent.

The union represents about 200, or about two-thirds, of North Shore's employees. Those included in the bargaining unit are primarily general operating and service employees.

The BOOK Shelf

Fashions and Frills of 1890's or turn of the Century are featured in the display case in the Antioch Township Library. The interesting and lovely articles of yesteryear are owned by Mrs. Joseph DeStefano and Mrs. Charles Bruhn and were used and passed down to them by their mothers and grandmothers.

LIFE BY THE NUMBERS, by Ursule Molinaro. Illuminates the nature of numerology and provides the essential information for its use in determining the patterns governing individual's lives.

WE GAVE YOU THE ELECTRIC TOOTHBRUSH! by Robert Thomas Allen. One man's defiant defense of the older generation.

THE ADDICTS, by Anita MacRae Feagles. The author's accounts of sessions at a drug treatment center reveal the experiences and struggles of young addicts.

LIFEBOAT NUMBER TWO by Margaret Culklin Banning. Novel of a disastrous storm at sea alters the lives of those aboard a luxury liner on a round-the-world voyage.

Vandals Destroy Cemetery Markers

NOTICE

Street department will pick up ONLY securely tied bags of leaves every Monday beginning October 4th.

Bags are to be placed at curbside before 8 A.M.

Village of Antioch
9/29/71

Sometime over this past week-end 25 headstones and grave markers were ruined at the Hillside Cemetery. The vandalism was reported to the Antioch police by Marion Prange who said her daughter had noticed that a number of markers in the cemetery had been knocked down.

Mr. Frank Moser Jr., grounds keeper for Hillside said at present there is no estimate of damage and it will probably not be possible to contact all the families as some of the markers are not legible because of age, some dating back into the 1800's.

Season 11 opens with "The Price"

The opening of a new season - Season 11; rehearsal of an opening play, *The Price*; and the face lifting of a building - these are all top priority items of PM & L.

On Sunday, September 25 the old marquee of the PM & L Theatre came down with a thundering crash and much elbow grease. During the next few weeks the front of the theatre will be given a new face. All curious on-lookers can watch and cheer on the progress.

This is the last week of the bargain season ticket sale. After October 1 the price of a season ticket will go from \$6.00 to \$7.50 - still a saving over purchasing a ticket at the door for each play. There will be 4 plays in Season 11. Send your check for \$6.00 per ticket to PM & L, Box 23, Antioch, Ill. Please include your name, address and phone number.

The opening play, *The Price*, by Arthur Miller will be directed by Gerald Pettera from Round Lake. Cast members are Shirley Kramer from Spring Grove, Don Beveroth from Paddock Lake, Wisc., Tom Hausman from Lake Villa, and Nick Baldassano from Lake Villa. It will be given on October 16, 22, 23, 29 and 30.

PM&L urges, join the over 300 people who have already purchased season passes. Treat yourself to a season of good "live theatre".

ABBOTT'S DECLARES DIVIDENDS

NORTH CHICAGO, ILL., Sept. 24, 1971 - Directors of Abbott Laboratories today declared a regular quarterly dividend of 27½ cents on each outstanding common share and 50 cents on each of the outstanding Series A preferred shares.

Both dividends are payable Nov. 15, 1971, to shareholders of record Oct. 22, 1971.

COUNCIL NAMES

HOMEcoming

COMMITTEES

The Student Council of Antioch Community High School has named the chairmen and working committees for Homecoming, October 15, 16, 1971.

Glen Amundsen, vice president of the council, is in charge of publicity for the annual event. Ken Tell, with the help of Bud Newton, is in charge of the bonfire and pep rally. Field decorations and the sock hop will be directed by Sheila White with Cheri Dalgard and the Sequoit Cheerleaders assisting.

Kathy Walpole will direct

SEQUOIA SMOKE STACKS

This week at Antioch the kids were found musing over some of the last years events as the Sequoia Spring Supplement was distributed by the SEQUOIA STAFF. They deserve many fine words of praise on the good job they did covering all the spring activities.

The JUNIOR CLASS will be very easy to tell from now on. They will be the ones walking down the halls sticking out their hands so everyone can see their newly acquired class rings.

This week is also a time for serious consideration about the future. COLLEGE NIGHT was held Tuesday, September 28th at the high school. College bound Juniors and Seniors had a chance to talk to representatives from all the colleges in and about this vicinity.

The DRAMA department had try-outs for the fall play of OUR TOWN this week. Plans also are being made for a 32 day European trip for the drama students. It would include lectures on drama in the different countries good for college credit.

Speaking of trips KATHY KAMINSKI took one to California this weekend to attend her brother's wedding. She left Wednesday night and returned Tuesday morning.

The GERMAN CLUB sponsored a bake sale on Friday. It was held in the commons during the lunch hours.

The PEP CLUB started out its activities with the making of spirit posters that were put up in the halls of the school. They were to encourage the kids to come and support their team at the football game that night. They certainly worked as a large cheering section was on hand to see those FIGHTING sequoits do it again. This time they beat the Grant Bulldogs by a score of 45 to 8. That a way to do it! The only sad part of the night was when junior- varsity player BOB BAILEY got hurt and had to be taken to the hospital.

Keep the spirit up!

Barb

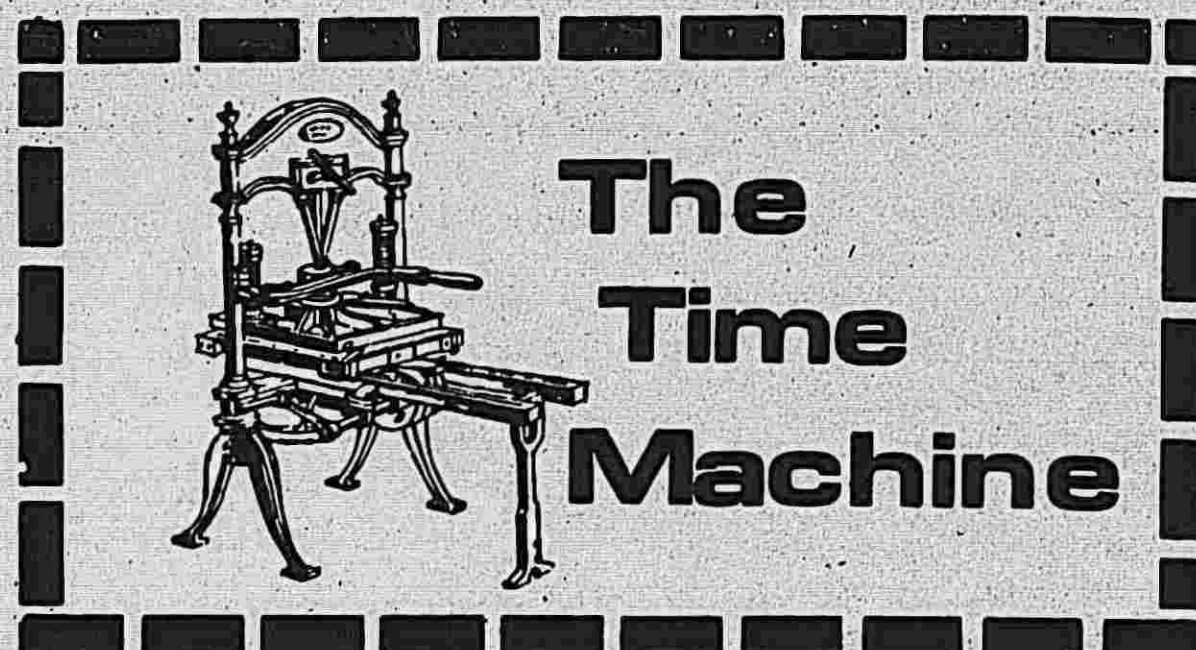

the sale of spirit pins with the help of Frank Nevitt.

One of the outstanding events of Homecoming Week-end is the parade and this year Carol Wells will be in charge with help from Kirk Dalgard, Helen Rose and Sandi Stewart.

Arrangements for the selection and presentation of the Homecoming Queen and her Court will be directed by Trudy Soland with Mark Crawford and John Walker assisting.

The band for the Homecoming Dance is chosen by the committee headed by Bud

Newton with Gary Mandehr. The Alumni Book, a record of alumni attending the Saturday night dance, is directed by Vic McGuire helped by Mike Harvey. Invitations and tickets to the dance are the responsibility of Sharon Hall with help from Cindy Franke and Fran Collette. Fran will be in charge of refreshments at the dance. Tim O'Neil will be in charge of decorations for the dance and Cheri Dalgard will direct the activities of Spirit Week, a week of in-school activities prior to Homecoming Week-end.

Along the Way with *Annie Mae*

A tremendous success—that's what describes the Golf Outing held last week which benefited the ANTIOCH RESCUE SQUAD. Among the lucky winners of door prizes were MARY HAVILAND, who won a Stereo Tape Deck, and ROSE ENDRIES won a Charming glow gas light. DALE FRASCH, for "closest to the hole" golfing, received a portable color TV... many, many, more too numerous to mention...

New Arrivals to proud parents, a son on Sept. 23, to MR & MRS ED RING; and on Sept. 24, a son to MR & MRS ROBERT PAULETTI.

Happy Birthday to: FATHER HENDERSON, Oct. 3. (hear everyone sang to him at the Golf outing, lead by JOHN TERESI!!) We're not sure of the date, but JIM MIHOVOLIVICH had a birthday recently, and all the fans at Friday nights football game sang to him. The Sequoits had lots to sing about as they scalped Grant, 45 to 8. While mentioning football, hats off to KEN TELL, Lineman of the week, selected by the Waukegan News-Sun, for the North Chicago game. Keep up the good work.

Also Happy Birthday to MARK ROTH who was 19 on the 25th of September and NATALIE BURDICK who celebrated her birthday on Saturday with a party.

Happy Anniversaries to MR & MRS BEN WAGNER (he is bartender at Lorenz's) who celebrated 42 years of wedded bliss on Sept. 28th. Congrats to DON AND MARGE GAA celebrating their anniversary on September 30th.

G.E.D. EXAM GIVEN ON SATURDAYS

Beginning Saturday, November 6, 1971, and continuing for the first four Saturdays of November, January, March, May, and September, 9:00 a.m. to 12:00 noon, the office of the Superintendent of the Educational Service Region, Room A904, County Administration Building, Waukegan, will be open to better serve those who wish to take the examination for the G.E.D. (high school equivalency) certificate. This will mean that examinees need not necessarily take days off from work to participate. The regular G.E.D. testing program will continue as at present Monday through Thursday each week from 8:45 a.m. to 3:30 p.m.

Other routine school business will be handled during the added Saturday hours.

BRUCE & NANCY JABLONSKI hosted a surprise 25th wedding anniversary party for MARGE AND DICK ERICKSON on Saturday night. Twenty five years together were presented through pictures and momentos and a mock wedding was performed. Phone calls from their attendants were an even bigger surprise. Congratulations, Marge & Dick. Hope you have many more happy years together.

With all the new building going on its almost refreshing to see something torn down. Several members of PM&L got together Sunday and pulled down the old marquee in front of their theatre. Right on, fellas! It gives the building a nice clean look. Judging by the size of the job and the lack of know-how on the part of the workers, it must be true when they say, "God protects fools and actors." Or is it "children"? Oh well, same thing!

Our condolences to Mr & Mrs Raymond Toft and family on the loss of Joan's grandmother.

Get well wishes to BUD HOLTZ and ROBERT WILTON SR., Mr. Wilton is in Victory Hospital. Also LORRAINE KENNEDY would appreciate a few cards and get well wishes. She is in Loyola University Hospital, 1st Avenue, Maywood, Ill. Loving thoughts go to MARTHA BARNETT in J.F. Kennedy Hospital in Lake Worth, Florida.

The Lake County Firemens Water Fight Teams had their Round Robbin fights at Vernon Fire Station in Wheeling on Sunday. For the third year in a row, Round Lake came in first and ANTIOCH came in 2nd. Not bad!

Welcome to Antioch, REV. AND MRS KENT SCHROEDER, Pastor of the Faith Evangelical Lutheran Church. The couple have two sons, David 4, and Paul 2.

A Welcome Home to Spec. 5 John Moser returning home this week. He has been in U.S. Army for 3 years. He spent 1 year in Viet Nam with the 119th Helicopter Division and is returning now from 1 year in Germany with the 535th Division - Engineer Corps. John is the son of Mr. and Mrs. Jay Moser, 892 Main St., Antioch.

Mrs. DeVries, our Welcome Wagon Lady just spent a week at school learning all the ways to welcome new people to our town.

DON'T FORGET to place your bagged leaves every Monday at the curb, for Village

pick-up. NO BURNING ALLOWED!!!

Returning from recent vacations in Florida were MR & MRS OLLIE HUNT, and MR & MRS JACK HORAN. They say the weather was beautiful....

October 1, stop at the Emmons School for their Annual Ice Cream Social from 5:30 to 8:30 ...See ya there....

Women of the Moose

On Thursday, September 16, the regular business meeting was called to order by Senior Regent Page.

After the minutes and correspondence was read by Collegian Recorder Jerri Polson, the September birthday march was made by Gert Good, Dorothy Puig, Emily Novotny, Ramoa Pyzyna, Ann Carpenter and

Sarah Brohn.

The Social Service Committee announced that there will be a masquerade dance on Saturday, October 30. Tickets for the dance can be obtained from the Social Service Committee. All co-workers are urged to come in costumes and enjoy the fun.

The Mooseheart Committee will have the Mooseheart Chapter Walk on October 7; the Mooseheaven Committee will have the Mooseheaven Chapter Walk on October 21. Both committees have posted a list of needed articles in the lodge.

The next meeting will be Thursday, October 7.

The First National Bank and Sammy Sequoit, our new mascot, now offer a Saving Plan (and savings book) for every young Saver!

NEW — Savings Plan For Children

4½% interest paid on any amount of savings, no matter how small. Join the "Junior Savers" at the First National Bank, watch your money grow as we add our money (interest) to your account each quarter. Come in, we will help you open your own "Sammy Sequoit" savings account, and pick up your free Indian head band too!

"Sammy Sequoit" has been selected as a mascot for the First National Bank because of his history and heritage in our area. While Sammy is an imaginary name, Chief Sequoyah is not.

Chief Sequoyah invented one of the greatest alphabets the world has ever known, a phonetic alphabet, with a character for every sound in the language of his tribe. He taught the Indians to read and write. Chief Sequoyah was a great educator and started the first Indian news paper. With this in mind, and the use of his name in the history of our area, may we present "Sammy Sequoit" to the children of Antioch, along with our new savings plan for their future and education.

PM&L HOLDS AWARD NIGHT

It's Award Banquet time for PM & L again on this Saturday, October 2. This year the festive occasion will be held at the Abbey at Lake Geneva in Fontana, Wisconsin.

It will be an evening of enjoyment with cocktails from 6-7 p.m. and dinner at 7:00 p.m. The awards will feature the new Jacqueline Horton awards for outstanding achievement in various categories and the Mr. Thespis award presented by the Josef Hunleys. Entertainment and dancing will follow.

Reservations must be made for this big PM & L event prior to Saturday, October 2. The invitation is open to anyone interested. It is not necessary to be a PM & L member or season ticket holder.

For reservations contact Fred Holbert, The State Bank of Antioch, 440 Lake St., Antioch, Ill., 395-2700.

ST. IGNATIUS ANNUAL TURKEY DINNER

On Wednesday, October 13th, St. Ignatius Episcopal Church, 983 Main Street will hold its Annual Turkey Dinner. Serving will be from 5:00 until 7:00 P.M. Donation - \$2.00 for Adults and \$1.00 for children.

SO-CI'E-TY

n: pl-TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

Smouse Makes Appearance On "Viewpoint"

KEN SMOUSE, speech and drama teacher at ACHS and a director of PM&L Theatre in Antioch, will appear on the "Viewpoint" program over radio station WKRS (1220) on Thursday, October 7 from 3:30 to 5 p.m. Also appearing on the program will be other representatives of community theatres in the area: Lou Jones,

pres. of Avon Players, and Loran Ingram from the Harvard Players. Jane Pickus, drama critic for the Waukegan News-Sun, will also take part in the discussion which will center on the state of theatre in America.

Joe Hunley, of station WKRS, will moderate the popular and often controversial program.

New Deductions

A little blue bundle was delivered to Ed and Karen Ring on September 23rd. Erik Windsor weighed 9lbs. 3 oz. and was 22" long. Grandparents are Mr. and Mrs. F.O. Johnson of Chicago and Mrs. Ethel Ring of Antioch.

A 7 lb. 11 oz. boy was born to Peggy and Fred Beach on September 16th. John Allen was born at Victory Memorial Hospital. He was given a big welcome home kiss by his sister, Peggy Doraine.

Mr. & Mrs. Charles Carey are happy to announce the birth of a daughter Katie Lynn on September 15, 1971. The young lady tipped the scales at 7lbs. 13 oz. and was 21" long. Paternal grandparents are Mr. & Mrs. J. Robert Carey.

SOCIAL NOTES

by Del Jahneke

Jerry Shatley, Ed Jahneke, Jr. of North Main St., Antioch, and Ivan England from Des Plaines, Illinois, had a pleasant weekend, September 17th - 19th, hunting deer with bow and arrow in deeply forested northern Wisconsin, Near Boulder Junction. They enjoyed camping out amidst the many pine trees, with a rushing, clear stream nearby. They claimed they saw some albino deer, which are illegal to shoot, but sad truth to tell - nary a deer did they see, much less shoot, so there were no "trophies" to tote home! BETTER LUCK

NEXT TIME, FELLOWS!

HAWKINS-McCOY

Robert LaVernway, son of Mrs. Walter Buchert, Lake Catherine, celebrated his "half-century" birthday with a dinner celebration at his home. Helping in the celebration were Mr. and Mrs. Lloyd Rodlein of McHenry, and Mr. and Mrs. George Borgwall of Spring Grove. MANY HAPPY RETURNS, BOB!

On September 25th Lark Welch Hawkins, daughter of Mr. and Mrs. George Hawkins of Antioch, became the bride of Mr. Drew Elton McCoy, son of Mr. and Mrs. Ernest McCoy of Colorado Springs, Colorado. Lark was given away by her father in a double ring ceremony at the Church of the Holy Family. Reverend Vincent Fish officiated. The bride's ring was her maternal grandmother's wedding ring.

The bride's gown was of Ivory Sat de Soie with alencon lace medallions with seed pearls, lace and pearls at the neck and deep lace trim at the wrists. The train was trimmed with lace and pearls and the double waist length veil was trimmed with lace.

Mrs. Margo Nadr Leden was the Matron of Honor. She wore a long avacodo and gold-crepe dress and carried a ball of fall flowers.

Mr. Mark McCoy was Best Man and Scott and Arthur Hawkins were ushers.

Lark graduated from the University of Colorado and is affiliated with Alpha Xi Delta and the Cosmopolitan Club. Mr. McCoy graduated from the University of Colorado, Boulder, Colo., where he belonged to the Triangle Fraternity. He is presently employed by Texaco as a Chemical Engineer in Richmond, Virginia.

A reception was held at the home of Mr. and Mrs. Wm. Brooks for 80 guests. After a honeymoon to Colorado, the bride and groom will make their home in Richmond, Virginia.

DINING GUIDE

ANTIOCH NEWS WEDNESDAY SEPTEMBER 29, 1971

Brass Ball

A gilded brass ball swings like a pendulum from cables suspended high in the air at the intersections of Highways 50, 83, and 75 near Salem, Wisconsin. For over 130 years this brass ball has marked the place for travelers to rest, relax and be refreshed with food and drink.

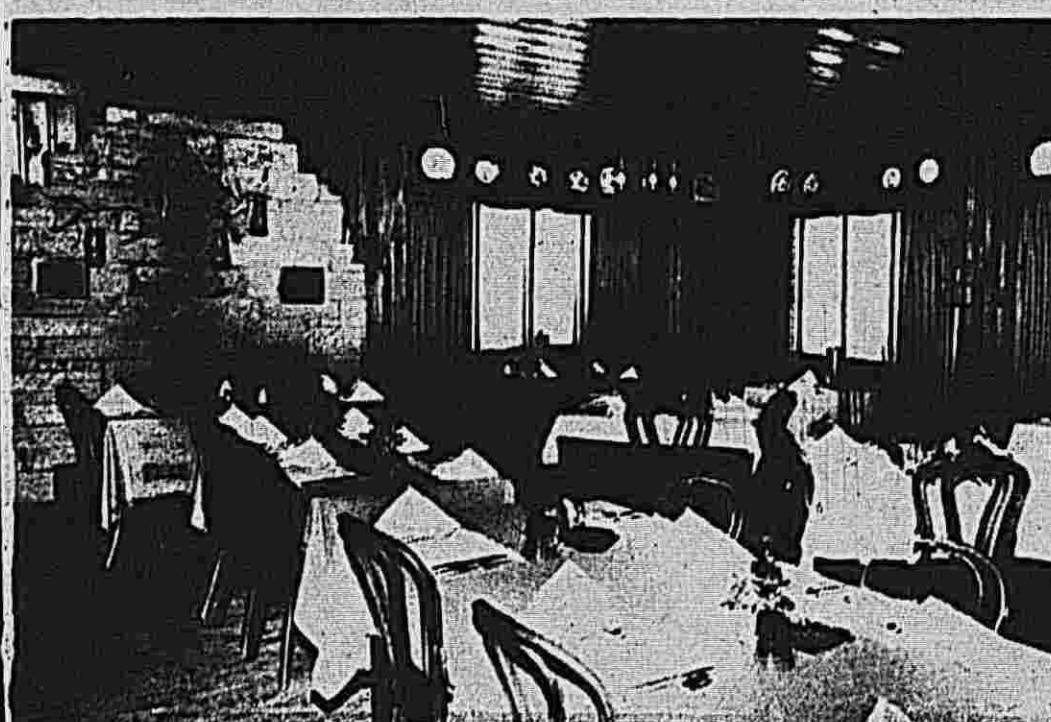

At BRASS BALL LOUNGE & RESTAURANT, Mr. and Mrs. Joseph Chaban continue to serve the public just as Irene Chaban's parents did. Mrs. Eve Adam ran the popular restaurant and bar for over 25 years before the Chabans took over 7 years ago.

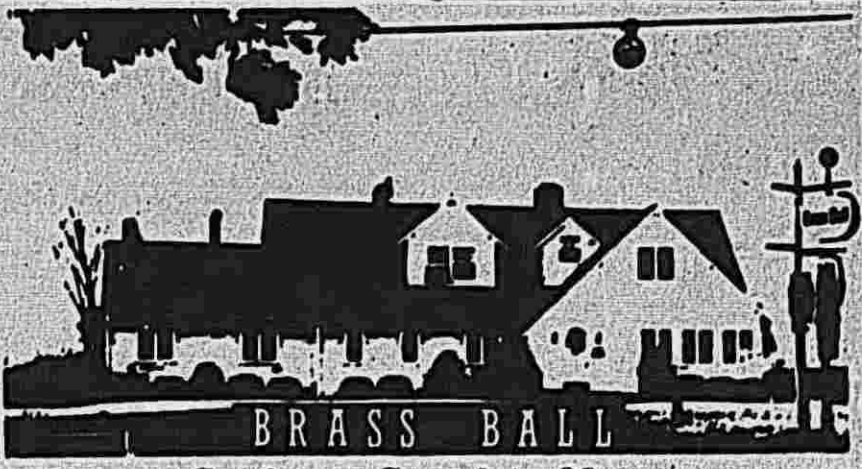

The specialties for the week are Roast Duck dinner, accented by a wild rice dressing, and Prime Rib of Beef, au jus. A full dinner menu of steaks, chops, chicken, fish and lobster tail is available throughout the week, except Monday and Tuesday. The dining room opens at 5 p.m. on weekdays and noon on Sundays. Wisconsin cheese is served with each meal, and a specially concocted spread is high on the popularity list.

Joseph Chaban, who is credited with several inventions is an extremely particular bartender. "I'm proud to be called a saloon keeper," he said and added with a chuckle, "I was born in back of a saloon."

The popular organist Lilli Ann provides entertainment in the dining room which features two massive fireplaces, one constructed of stone gleaned from the Salem area.

It's a busy intersection, centrally located between lakes, parks, golf courses, ski hills, cities and even states. Is it any wonder BRASS BALL LOUNGE & RESTAURANT has become known as the place where people from Wisconsin and Illinois meet?

DeLUKA ATTENDS CONFERENCE

Mr. Charles DeLuka, Administrator of Salem Consolidated Grade School, Salem, Wisconsin, joined with 450 other school administrators in attendance at the State Superintendent's Annual Conference in Madison on Sept. 22 & 23.

One of the guest speakers for this year's Conference included Francis Keppel, U. S. Commissioner of Education from 1962 to 1966 and now Chairman of the Board of General Learning Corp., New York City.

Mr. Keppel's address entitled "The Loss of Confidence,

Symptom or Disease?" set the tone for this year's Conference theme, "The Confidence Crisis". State Superintendent Kahl said that the theme was chosen to reflect the planned explorations of changing public attitudes. He explained that the subject has become increasingly important in recent years with school bond issue failures exceeding successful issues, with school budgets being routinely slashed at every level of fiscal authority, and with a generally critical attitude on the part of many segments of the public toward any significant change or issue in public education.

SALEM UTILITY DISTRICT ADOPTED

After some rather heated preliminary meetings the resolution creating a second utility district was adopted in an almost anticlimatic session at last Thursday's semi-monthly meeting of the Salem Town Board.

As a result the board was able to approve a resolution authorizing the engineering firm of Jensen and Johnson of Elkhorn, Wis., to conduct a feasibility study in the lakes area to ascertain the need for a sewer system.

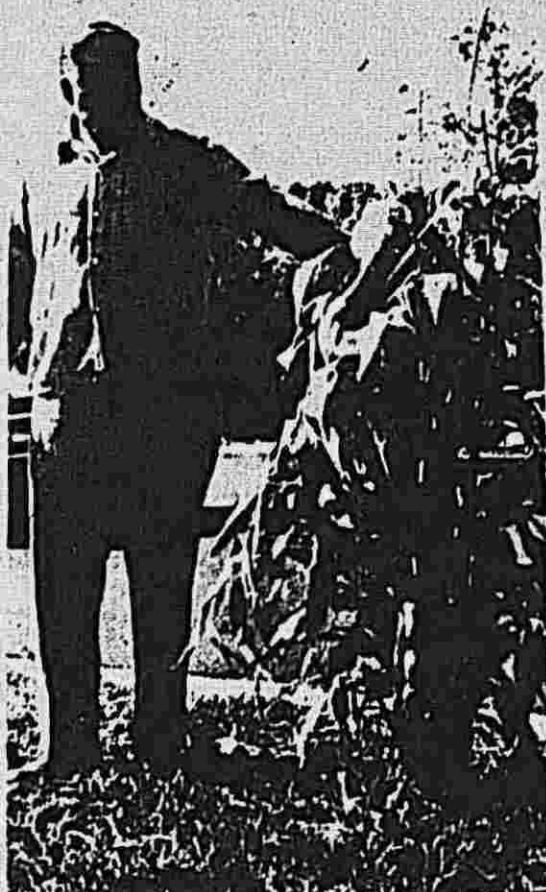

In other business the board authorized the installation of new windows in the sanitary sewer plant. A decision on boat launching in the park area of Timber Lake was tabled.

The board agreed to advertise for bids for construction of a municipal building with the bid opening scheduled for 8 p.m. Thursday, October 21.

In the only other action, the board met with the School Board in regard to future home development in the township.

Eleanor Michell, Mrs. Fern Watson, Mrs. Jean Ferris, Mrs. Selma Trieger, Mrs. Lillian Gaa, Mrs. Edith Elms, Mrs. Barbara Wilson, Mrs. Dorothea Farm, Mrs. Margaret Pincombe, Mrs. Hazel Parfitt, Mrs. Patricia Polsgrove, Miss Carrie Pauli, Mrs. Marilyn Lorentz and Mrs. Susan Rayman.

The next monthly meeting will be in the home of Mrs. Edith Elms. Patricia Polsgrove is President.

Road or no road you shouldn't fool mother nature. Mr. Robert Lasco of 434 Harden St., Antioch, found that after Rte 173 had been refinished, he had to reseed part of his lawn. About one month ago he also found corn along side of his new lawn and the new road.

O. E. S. HOLDS

ANNUAL DINNER-MEETING

The Past Matrons Club of Antioch Chapter, Order of the Eastern Star, enjoyed its annual dinner-meeting on Wednesday at the Stage Stop in Wilmont, Wisconsin.

Following dinner they adjourned for dessert and an evening of cards in the home of Mrs. Eva Kaye. The opportunity prize was won by Mrs. Margaret Gaston.

Others attending were Mrs.

American Legion Auxiliary News

Mrs. Richard Stastny, Mundelein, district rehabilitation chairman of the 10th District American Legion Auxiliary, announces that there will be a meeting of all unit presidents and their rehabilitation chairmen, on September 30th at 8:00 p.m., at the Mundelein American Legion Home.

Mrs. Robert Broege, Deerfield, Department Downey Hospital Director; and Mrs. Elvera Read, Zion, district volunteer field service chairman in rehabilitation; will be present to assist in the planning of the year's schedule of parties and activities for the patients at Downey Hospital. The 10th District Christmas Dance, Christmas gift shop, Easter gifts, poppy fabrication, etc., are among the subjects to be discussed. There is always a pressing need for volunteers.

All unit presidents and their rehabilitation chairmen are urged to be in attendance. Mrs. John W. Horan, President, and Mrs. Ray Rathmann, rehabilitation chairman, will be representing the Antioch American Legion Auxiliary No. 748.

The 10th District Juniors of the Auxiliary will be holding their annual installation of officers on October 1st, at the Sharvin American Legion Home in North Chicago, at 8:00 p.m.

Laura Brown, North Chicago, will be the new District Junior President. Other district junior officers will be Susan Rathmann, Antioch, Vice President; Marlene Gravis, Waukegan No. 281, Secretary; Cindy Abbott, Round Lake, Treasurer; Wendy Dorn, Mundelein, Historian; Shirley Stastny, Mundelein, Chaplain; Robin Chudzik, Lake Zurich, Sergeant-at-Arms; and Jeanne Walston, Lake Zurich, Junior Past President.

The installing officer will be Mrs. Richard Brown, North Chicago, Past President and Laura Brown's mother; with Mrs. Ray Rathmann, Antioch, District Junior Activities Chairman, as the installing chaplain; and Mrs. Norman Holt, North Chicago, Department Assistant Sergeant-at-Arms, as the installing sergeant-at-arms.

All legionnaires, senior and junior Auxiliary members and guests are welcome to attend this installation.

Tenth District American Legion Auxiliary members are alerted that the Department Caravan will be held on October 13th at 7:00 p.m. at the Homer Dahringer American Legion Home in Waukegan. Mrs. Joseph Hogue, Waukegan No. 281, District President, states that more details will be

forthcoming in the near future.

The Antioch American Legion Auxiliary No. 748 will hold their regular meeting on October 4th, at the Antioch American Legion Home at 8:00 p.m. Mrs. J.W. Horan, President, will conduct the meeting.

Christian Science Churches

More attention needs to be paid to the source of thought and action. This is a theme to be brought out Sunday at Christian Science Church services.

These words of Christ Jesus will be read: "Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. Wherefore by their fruits ye shall know them." The subject of the Bible Lesson-Sermon is "Unreality."

Commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy

includes: "Man walks in the direction towards which he looks, and where his treasure is, there will his heart be also. If our hopes and affections are spiritual, they come from above, not from beneath, and they bear as of old the fruits of the Spirit."

Services begin at 11 a.m. at First Church of Christ, Scientist, Beacon Hill, Rte. 173 and Harden, Antioch. All are welcome.

Obituaries

MRS. DELLA H. BARTELL—82 Years Old of Chain O'Lakes Subdivision near Antioch, Ill. passed away Sunday Sept. 26th at 10:55 A.M. in Victory Memorial Hospital. She was born Jan. 16, 1889 in Chicago and had resided at 3453 Lowell Ave., before moving to Antioch in April 1968. She was preceded in death by her husband Walter C. Bartell in March 1965.

Survivors are one daughter Mrs Bernice Conrad (Antioch)—one sister Mrs. Alma (Louis) Lorenz (Des Plaines, Ill)—two grandchildren Harry Conrad (Centralia, Ill) and Mrs. Joan (Raymond) Toft (wife of Antioch Mayor)—and five great grandchildren.

Funeral services will be held at 1:30 P.M. on Wednesday at Strang Funeral Home in Antioch. Rev. Donald Cobb of the United Methodist Church of Antioch will officiate. Interment will be in Acacia Park Cemetery in Chicago.

MRS. SYLVIA C. OHLER, 63 years old of Cross Lake near Antioch passed away Tuesday, September 28th at Victory Memorial Hospital. She was born on May 10, 1908 in Chicago and resided there until moving to Cross Lake in March of 1946. Mrs. Ohler retired 4 years ago as a seamstress from Active Specialty Co. She married Stanley J. Ohler on November 1, 1943 in Cicero, Illinois.

Survivors are her husband, Stanley, 1 brother, Robert C. Silha of Cicero and several nephews.

Funeral Services will be held at 11:00 A.M. Thursday at Strang Funeral Home in Antioch. The Reverend Francis Jordan of St. Scholastica Church will officiate. Interment will be in Liberty Cemetery. Friends may call after 2:00 P.M. Wednesday.

SEAN AARON EVERT, 2 yrs old of Channel Lake passed away Sunday at Victory Memorial Hospital in Waukegan. He was born on July 7, 1969 in Waukegan. He resided in Libertyville before moving to Antioch on November 1, 1970.

Survivors are his mother, Judith Jimenez, 2 sisters, Dawn and Judith Evert. Maternal grandfather Elmer Matthews of Libertyville.

Funeral Services will be held Wednesday at 3:00 P.M. at the Strang Funeral Home in Antioch. The Reverend Alfred Henderson of St. Peter's Catholic Church will officiate. Interment will be in Ascension Cemetery in Libertyville.

Lively Cereal Breakfast

Not long ago the rooster's crow often heralded morning. Now it's more likely an alarm clock that wakes us. Other things have changed, too — breakfast, for instance. It's lighter as a rule, and easier and faster to prepare, as in Fruit Spangled Cereal — a colorful combination of extra protein Life cereal, fresh pears, strawberries and ice cream.

This good tasting oat cereal contains an added amount of important protein. There are 5.1 grams in a one-ounce serving (2/3 cup) of this cereal. A one-ounce serving also supplies 100% of the minimum daily requirements for thiamine, riboflavin and niacin, plus 15% of the daily iron requirement.

A breakfast of fruit or juice, cereal and milk, bread and spread plus milk to drink starts the day right. Serve Fruit Spangled Cereal with cinnamon toast, milk and coffee, then see for yourself!

FRUIT SPANGLED CEREAL

Makes 4 servings

2-2/3 cups Quaker Life cereal	1-1/2 cups fresh strawberry slices
1-1/2 cups fresh pears, diced	Vanilla Ice Cream

In a tall glass or cereal bowl alternate layers of Life cereal, pears, strawberries and ice cream. Garnish each serving with a thin pear slice and a strawberry.

LARGEST FRESHMAN

CLASS EVER

ENROLLED AT CLC

By the end of the late registration period, 4,554 students had registered for the College of Lake County's third year of classes which started August 30.

More than 2,100 students have enrolled in daytime classes. Enrollment in evening courses on the Grayslake campus and at extension centers in Waukegan and Lake Zurich exceeds 2,400.

Full-time students accounted for 38 percent of the fall 1971 enrollment, the majority attending classes during the daytime. Nine out of ten students registered reside in Junior College District 532. Two students came from out of state and 320 from out-of-district. Males outnumber females, six to four.

Slightly more than half of the enrollees indicated that this was their first enrollment at the College of Lake County. The majority of new enrollees are members of the largest freshman class—2,955 students—ever to enroll at the College of Lake County.

Dr. R. Ernest Dear, dean of instruction, noted a significant change in the registration pattern. "More freshmen registered for career programs than for baccalaureate oriented programs. The college is especially pleased with this development. The enrollment and interest in the three new career programs—Child Care, Medical-Laboratory Technology, and Ornamental Horticulture—which were offered for the first time this semester is most gratifying."

The official enrollment count of 4,554 will change since additional enrollments are expected in certain adult education classes which are not scheduled to begin until mid September.

DEPOLLUTE

If you smoke filter-tip cigarettes, don't flush them down the john. They'll ruin your plumbing and clog up pumps at the sewage treatment plant. They're practically indestructible. Put them in the garbage.

New Innovation At U of I

One hundred seventy six freshmen in the University of Illinois at Urbana-Champaign are creating their own academic community within a large university.

Among the participants selected from applicants for the new program, called Unit I, are Patricia Guzowski and Elaine Wells of Antioch.

The first two floors of Allen Hall serve as headquarters for the program, providing space for teaching and for faculty offices in addition to living quarters for the students. Men live in one wing and women in another.

The program seeks to encourage more active participation by students in their own

education.

Alan Purves, professor of English and director of Unit I, said students who seemed likely to work well on their own initiative were selected because the program emphasizes individual study and voluntary participation in projects.

Although exceptional academic ability was not an important requirement, 59 James Scholars are among the 85 men and 91 women accepted for Unit I's first year.

Purves said a diverse group was created so that students from different backgrounds could learn from each other. They are enrolled in six colleges in the U. of I. and have a wide variety of interests ranging from early childhood education to managing funeral homes.

A special course, called Liberal Arts and Sciences 110, was created exclusively for Unit I students. It offers them a choice of individual study projects supervised by some 80 senior faculty members who will decide how many hours of credit each project is worth and award a grade of satisfactory or unsatisfactory.

Taking the course is much like serving an apprenticeship, an ancient teaching method Purves hopes to encourage.

Ten sections of freshman rhetoric and courses in Chinese philosophy, creative writing and modern dance are being taught at Allen Hall.

Three faculty members—Neil Kleinman, A. Doyle Moore and Al Huang—have offices in the dorm and spend nearly all their time there teaching courses and working with students on projects in graphic design, writing and dance.

Purves and his two assistants, William Plater and Harry Walsh, will visit regularly with students and their committees to help them develop Unit I programs.

"The reaction of participating students and their contributions to this experiment will largely determine whether it succeeds or fails," Purves said. "Unit I may become a meaningful community of people from all parts of the university or it may become just a name for another housing unit."

"If the experiment is successful this year, it may be expanded to include students in all four undergraduate classes," he said.

AAA Says Let Child Walk

Do you have a child just beginning school or in the primary grades? If so, consider this suggestion from the Chicago Motor Club-AAA: don't drive them to or from school unless absolutely necessary.

Cars in school zones create unnecessary traffic hazards for school children, buses and other traffic. This advice applies to traffic conditions on inclement days, also.

Parents dropping children off may be putting them in danger from other traffic. A particularly dangerous practice is letting passengers out on the street side. Always pick up and drop off your children—when you must drive them—on the school curb side and away

from buses and other cars.

Rather than drive your child to school, teach him the rules of pedestrian safety. Show him the safest route to school and instruct him regarding traffic signals, adult crossing guards, and school safety patrol members. This training will help him make both a safe pedestrian and a better driver when he grows up.

Point out that the walk to school is not a time for play. Diverting games, such as tag, are better played in the playground. They can create traffic safety hazards where none need exist.

And remember children are imitative. Parents can set a good example by showing respect for the rules of pedestrian and traffic safety.

LEGAL NOTICES

COUNTY ZONING NOTICE

State of Illinois, County of Lake, To Whom it may Concern:

PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on October 14, 1971, at 1:30 P.M., in the Antioch Savings & Loan Assoc., 425 Lake St., relative to a proposal to vary the terms of the Lake County Zoning Ordinance or to reclassify by amendment thereto, from the UR-2 Urban Residential Zone, to the CR-Commercial Recreation Zone, the following described real estate, to-wit:

Property located on Northwestern side of Grass Lake Road, 3 miles West of Rt. 59, described as: That part of the Northeast quarter of the Southeast quarter of Section 26, Township 46 North, Range 9, East of the 3rd P.M., described as follows, to-wit: Beginning on the North line thereof 179 feet West of the Northeast corner; thence West on the North line 300 feet to the Southeast corner of Lot 9 in Rother's Subdivision; thence South 165 feet; thence West 400 feet; thence North 165 feet to a point on the North line of the Southeast quarter, being the Southwest corner of Lot 16 in Rother's Subdivision; thence West on the North line to a point 162 feet East of the Northwest corner of the Southeast quarter of said Section 26; thence South 100 feet to the North line of Hillside Avenue; thence East on said North line of Hillside Avenue to the East line of said Avenue; thence South on the East line of Hillside Avenue to the

Northerly corner of Lot 4 in Second Addition of Lotus Park; thence Southerly on the Easterly line of Lots 4 to 11 in the Second Addition of Lotus Park to the Southeast corner of Lot 11 in said

subdivision; thence on the South line of Lot 11

Easterly line of Hillside Avenue; thence Southerly and Easterly along the Northeasterly line of said Avenue to the center line of Grass Lake Road; thence Northerly along the center line of Grass Lake Road to a point on the East line of the Northeast quarter of said Section; said point being 312.2 feet South of the North line of the Southeast quarter of said Section; thence North along the East line of said Section 2.165 feet South of the Northeast corner; thence West 179 feet; thence North 165 feet to the place of beginning, (excepting therefrom the parcels of real estate heretofore conveyed by Documents 233134, 287169, 388538, 359443, and 890926, 388539, and 651800), in Lake County, Illinois.

As a result of the petition of Arnold W. Shunneson & Jettie Mae Shunneson, which petition is on file and available for examination in the office of the Lake County Zoning Board of Appeals, County Administration Building, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING BOARD OF APPEALS

Thos. Z. Hayward
Chairman

Dated at Waukegan, Illinois, This 29th day of September, 1971.

PUBLIC NOTICE

Notice of Proposed Change in Schedule

To the Patrons of Illinois Bell Telephone Company:

Illinois Bell Telephone Company hereby gives notice to the public that it has filed with the Illinois Commerce Commission, under Advice No. 3399, proposed changes in its rates and charges for telephone and other communications services in the State of Illinois. In harmony with the President's Executive Order No. 11615, providing for the stabilization of prices, the Company has asked the Commission to suspend these changes for at least 90 days and investigate them. The changes involve general increases in the rates and charges for local exchange services, intrastate message toll telephone services, and various miscellaneous services and equipment as well as the establishment of rates and charges for certain services. A copy of the proposed changes may be inspected by any interested party at any business office of this Company in Illinois. All parties interested in this matter may obtain information with respect thereto either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission, Springfield, Illinois 62706.

NEW BOOKLET ON BETTER ENVIRONMENT AVAILABLE

"PLANTS, HOW THEY IMPROVE OUR ENVIRONMENT" an action booklet for children in the elementary grades, has just been published by the Soil Conservation Society of America, Ankeny, Iowa. This was announced by Lee H. Bridgman, District Conservationist with the Soil Conservation Service, Lake Zurich, after his return from the Society's 26th Annual Meeting in Columbus, Ohio.

The booklet on plants is the seventh in a better-environment series of educational cartoon-type booklets have been sold by the Society since 1954, Bridgman explained.

The new booklet explains how vegetation improves environmental quality by

producing oxygen, preventing air pollution, reducing noises, and guarding against soil erosion. It encourages young people to plant flowers, shrubs and trees and contains a number of do-it-yourself projects that will help children better understand the function of plants in the environment.

Mr. D. Harper Simms of Albuquerque, New Mexico, wrote the text for the 16-page, full-color booklet, which was released simultaneously by the Men's Garden Clubs of America.

Single copies of PLANTS, HOW THEY IMPROVE OUR ENVIRONMENT can be obtained from SCSA, 7515 Northeast Ankeny Road, Ankeny, Iowa 50021, for 25 cents. Information on discounts on quantity purchases for schools, conservation groups, etc. can be obtained from the local Soil Conservation Service Office, Route No. 12 and South Old Rand Road, Lake Zurich. Phone numbers are 438-6319 and 438-5427.

RACING

SUMMARY - WAUKEGAN SPEEDWAY

September 26, 1971

Rain Saturday afternoon and night forced the third straight cancellation of the stock car races at the Waukegan Speedway and wrapped up the late model season with Bob May of Gurnee crowned the champion. Racing will resume next April at the Waukegan Speedway for the late model cars.

Jim Cossman of Waukegan kept second spot in the late model standings as Carl Major of Chicago never had a chance to pass him as the last two scheduled nights of late model racing were weathered out. Tom Jones of Northbrook was fourth and Al Gutche of Kenosha finished fifth.

September 26, 1971 - Bob Arndt of Milwaukee was the big gun in the final races of the 1971 season at the Waukegan Speedway on a foggy Sunday afternoon as he ran away with the hobby feature after posting the fastest qualifying time.

Sunday's races were marked by numerous accidents which finished the season for many cars. Louis Rudolph of Skokie escaped injury in the semi-feature after his Studebaker was completely demolished in two multi-car collisions. Only six of the original 19 starters finished that race.

Arndt blasted through the 18 car feature field to gain the lead in the 4th lap as he side-stepped several pile-ups. He was never seriously challenged after that point, although Bob May of Gurnee ran second for a number of laps before spinning out. May drove the car No. 54 of Cheryl Arndt which finished second in

the main.

Bill Chism of Waukegan was the second place finisher at the end of 25 laps as he passed Gil Couillard of Franklin in the final laps. May finished fourth with Ed Smith of Gurnee fifth.

Gordie Mudlaff of Wind Lake won the wild 12 lap semi-feature which was stopped again and again by accidents. Floyd Burdick of Racine was second in that race and also qualified to start in the main event.

There were no double winners Sunday as preliminary races went to Chuck Schroeder of Kenosha, Bob Thorud of Des Plaines, Elwood Simmons of Chicago and George Dukas of North Chicago.

Eddie Peterson of Park City won the free bicycle after the bicycle races which were sponsored by Scott's Schwinn Shop in Waukegan. Erv Pahnke, David Chadwick, Mary Kay Larson, Vicky Krogstad and Renee Welch won the races.

Racing will resume in April at Waukegan with late models and hobby stocks.

HOBBY STOCK DIVISION:

Qualifications - Bob Arndt, Milwaukee (:16.63); Bill Chism, Wildwood (:16.82); Cheryl Arndt, Milwaukee (:16.98); Ted Richter, N. Chicago (:17.20).

Trophy Dash - 1:44.94 - Chuck Schroeder, Kenosha; Bill Chism, Bob Arndt, George Garrett, Zion.

First Heat - 2:52.95 - Elwood Simmons, Chicago; Tom Hickie, Waukegan; Joe Gibbons, Carpentersville; Floyd Burdick, Racine.

Second Heat - 2:27.31 - Bob Thorud, Des Plaines; Joe Crest, Franklin, Wisc.; Ed Smith, Gurnee; Jim Passinault, Kenosha.

Third Heat - 2:59.06 - George Dukas, No. Chicago; Bob Arndt; Bill Chism; Cheryl Arndt.

Semi-Feature, 12 laps - 4:57.29 - Gordie Mudlaff, Windlake, Wisc.; Floyd Burdick; Dennis Kopcik, Zion; Elwood Simmons; Mark Schmitz, Arlington Heights; Rip Tucker, Park City; Tom Riley, Waukegan; Joe Gibbons.

Feature - 25 laps - 7:36.41 - Bob Arndt; Bill Chism; Gilbert Couillard, Franklin, Wisc.; Bob May, Gurnee; Ed Smith, Gurnee; Tom Oliver, Zion; Bob Thorud; Chuck Schroeder; George Garrett; Don Schmitz, Kenosha.

CHILDREN'S BICYCLE

RACES:

Boys - 9 and over - Erv Pahnke, Park City; Larry Krogstad, Park City.

Boys - 9 and under - David Chadwick, Lake Zurich; Tom Couch, Grayslake.

Girls - 10 and over - Mary

Kay Larson, N. Chicago; Debbie Leith, Waukegan.

Girls - 8 to 10 - Vicky Krogstad, Park City; Elizabeth Gonzalez, Park City.

Girls - under 8 - Renee Welch, Waukegan; Susan Koenner, Milwaukee.

Winner of Free Bicycle Drawing Eddie Peterson, Park City.

Drum and Bugle Corps Has Openings

All young men between the age of 13 and 21 who are willing to have fun while working and traveling, are invited to become a part of The Cavaliers Drum and Bugle Corps, one of America's finest musical organizations.

The Cavaliers have announced that there are presently openings in their bugle section, drum section and color guard, and that all young men who are interested should attend their New Member Nite being held at Cavalier Hall, 2511 North Kedzie Blvd., Chicago on Wednesday evening September 29th at 7:30 P.M.

The Cavaliers presently hold nine national championships, thirty eight state championships, six international championships, a world championship and well over 500 first place victories.

This past summer The Cavaliers appeared throughout the mid west and traveled throughout Canada, the east coast and down to Texas.

Considered to be THE most consistently winning unit in drum corps history, The Cavaliers are looking for young men who are willing to work to be one of the best, and to carry the Cavalier tradition on. No previous experience or musical training is necessary.

As in the past, all transportation, housing, equipment, instruction and uniforms are supplied without charge. A member is only required to pay for his food while traveling, and a dues which comes to \$1.00 per week.

The best time to join is right now, when a new program is being set up for next summer. If you require any further information on the Cavaliers contact Robert Hoehn, Jr. at 537-8678 any evening or come to Cavalier Hall any Wednesday Nite after 7:00 P.M.

Be A Champion, Be A Cavalier.....Join Now!

"L to R" Richard Daniels, Edward Kurek, Rick Simon, Cindy Hayden

Rick and Cindy get a preview of financial assistance and other college information available to parents at a seminar which Mr. Daniels and Mr. Kurek will conduct at the Parent Teacher Association Meeting, Wednesday, October 6, 1971, as part of the "Back To School" program.

"Back To School"

The Antioch Community High School Parent Teacher Association will meet Wednesday, October 6th at 8:00 P.M. in the new north gym. Following the business meeting, the program will be "Back To School". Parents will have an opportunity to follow their son or daughter's schedule on an abbreviated time schedule. The class schedule will begin at 8:45 and end at 9:50 P.M.

An added feature this year running concurrent with the class schedule will be a college information and financial seminar for parents conducted by

local banker Richard Daniels and School Guidance Director, Edward Kurek. The seminar will meet in the Faculty Lounge.

Parents may choose to attend session from 8:45 to 9:15 or 9:20 to 9:50.

Refreshments will be served in the Commons.

The Parent Teacher Association is headed by Alan Knutsen, President, Mary Chase, Vice President, Marian Dobslof, Secretary and Ida Wysoglad, Treasurer.

OAKLAND TO HOST PTA BUFFET

The Oakland Grade School PTA is holding its first meeting of the school year on Monday, October 4, 1971, in the school gymnasium. The school is located on the corner of Grass Lake and Deep Lake Roads, Antioch. Plans for the evening include a Get-Acquainted time from 7:00 until 7:30, a Buffet Dinner from 7:30 until 8:30, a short Business Meeting and a program presented by Mr. John Szemore, Director of Insearch, Inc. of Waukegan. Mr. Szemore is a Psychologist and a specialist in human relations and family problems. The program promises to be very interesting and informative for both parents and teachers.

The Buffet Dinner is being planned by Mrs. Roger Schulz and her committee. PTA members are being asked to bring a vegetable dish, salad or desert and the PTA will furnish meat and other condiments. Anyone who has not made a reservation, but would like to come, call Mrs. Ralph Montrimas (356-3147) or Mrs. Roger Schulz (356-7134) as soon as possible. Donation for the dinner is \$1.00 per person.

The annual PTA membership drive will also be a part of the evening. Mrs. David Heath and her membership committee will be encouraging parents and Teachers to join the PTA. Mrs. Arthur Koeller and her Hospitality committee will be welcoming guests and helping with arrangements for the evening. Kindergarten and

First Grade Room Mothers will help in the Kitchen.

Special guests for the evening will include the Antioch Grade School Board members and the School District Administrators and their wives. Oakland Grade School teachers will also be present to get acquainted with the parents.

Those who find it inconvenient to attend the Dinner, may come to the Business Meeting and Program at 8:30 P.M.

PETITION Presented To AGS Board

The Oakwood Knolls Delegation presented the School Board with a petition explaining the population, location, projected growth, distance traveled and costs of distances traveled. There were 361 signatures on the petition.

The Property Owners Association of Oakwood Knolls also presented the board with a letter asking for a fair distribution of students.

The people of Oakwood Knolls are very upset over the fact their children go to different schools and that their kindergarten children are bussed to the Channel Lake Grade School. They want to be assured their children will go to the same school each year.

The redistribution of boundary lines was one suggestion offered. It would eliminate excess bussing and it could also bring kids living close, closer to available schools.

Portable classrooms or build another school were two other suggestions to help solve this

problem.

Mr. Meyer said there has been a 10 1/2% growth realized for the last four years. If it were possible to tell where the growth would be, it would then be possible to tell the parents where their children would go to school. Registrations do not come in however until late August or the beginning of September.

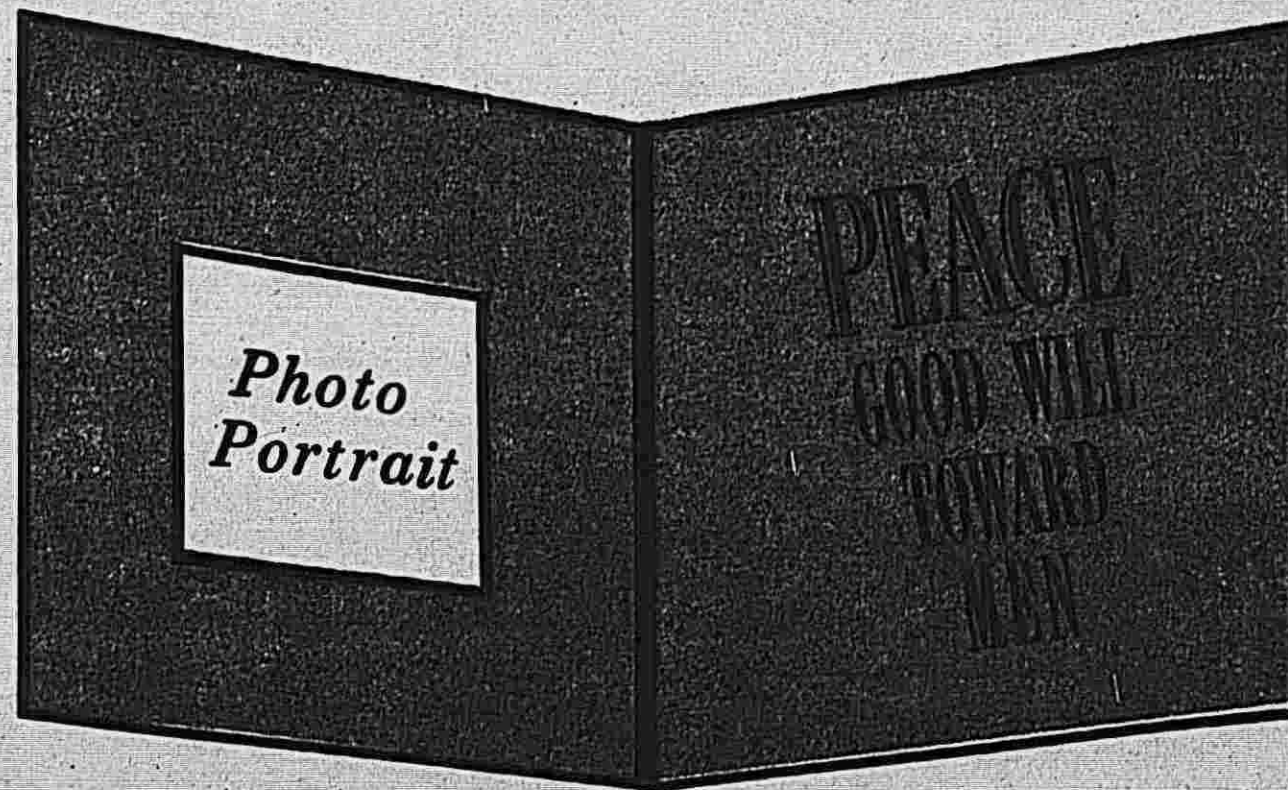

The administration will study their proposal and Mr. Meyer will contact the delegation for further discussion.

The budget was adopted on September 27, 1971. Total revenue is \$1,506,295.52. Total expenditures are \$1,631,652.05. Four resolutions for levies were adopted:

1. Resolution for levy on Working Cash Fund - \$22,000.
2. Resolution for levy on Fire Prevention and Safety Purposes - \$20,000.
3. Resolution for levy on Special Education for 2 cents.
4. Resolution made to budget \$43,600.00 to Building Fund for Utilities.

No. 13 Fred Popp and Team Captain Ken Tell (No. 77) lead blocking for Sequoia's outstanding Back Greg Crutchfield No. 23. This run netted another long gain for the fighting Sequoia in their win over the Grant Bulldogs.

The Sun

by Andrew Kalnik

Translated from Russian (1)
"Are you listening? Come closer and I'll tell you all about it - from the very beginning...Are you running away? Well, that's nice; I'll tell it to the flowers and the grass instead."

"You beautiful poppies! Listen carefully to the story about the sun."

"My little daughter was sick...Do you know that she was, like you, a kind golden-haired beautiful flower? Sick she was, my little daughter..."

"Then came the doctor. He descended into our low dwelling - he was mad. Why? I know, I remember...He didn't like the surroundings. He came in, examined my daughter and scrutinized the damp walls of the room."

"It is sad," he said. "You should change your place and get an airy, light room. How many children do you have," he asked.

"We had three, I answered. Two of them died, but this one remained. Save my daughter! She's everything we have; we breathe through her to live..."

"He wrote some sort of a prescription and sadly went away."

"What did the doctor prescribe?" asked my daughter. "He prescribed light - the sun, my darling, I told her, so that it would shine over you, so that you'd get well again."

"That same day I went away in search of the sun. I searched everywhere for a long time. I went to the slums and, finally, I found a room on the sunny side of the house."

"Gorgeous poppies; children of the sun! Wouldn't it be better if I brought my golden-haired little daughter to you? You'd show her the beautiful greenery...But, I

know, you wouldn't give her bread - you live by the morning dew....Don't go, listen to some more, I didn't finish all."

"The following day I was to move my daughter in to the sunny place, but it scarcely was daylight when she called me to her, held my hand for a while and closed her eyes. Then some people came and carried her away."

"When my little golden-haired daughter left us, we cried our eyes out. That day I got sick from longing for the sun. I went to the grave, I fell to the ground and waited for an enlightenment and, as always, I saw my daughter embracing the sun and her hair spreading over it. When I told them the story of the sun,

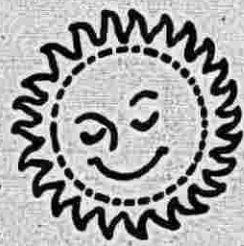

my wife and my mother didn't believe me - they thought that I lost my mind and shed bitter tears over their inflamed eyes."

"The other day I spoke to the shining disk: you mighty sun, I bring grave accusations against you: Why were you so stingy, why didn't you send the tiniest little ray of light to my daughter and why did you kill her?"

"The sun got sore and darkened its face."

"Come," said the Sun. "Come I'll show you, see? Tell the world that the upper story of the house shaded the one below and that it, not I, killed your golden-tressed little daughter."

(1)Original Armenian by Arezi.

Raiders win again!

The Emmons Grade School Raiders opened defense of its four Big Six Conference championships in a row, and thirty-eight straight wins, with two football victories.

The first victim of the Raiders was hapless Milburn School. The Raiders completely destroyed Milburn, 28-0. John Kakacek Jr., rambled up the middle for the first score. Jon Bodin hit Dave Lagerstrom in the end zone for the PAT. Doug Wyatt turned the corner and scooted 15 yards for Emmons second score. Kakacek added the extra point. The third score after was missed. Kakacek burst over from the 5 yard line for the last T.D. John

Christiansen added the extra point on a pass from Jerry Schmidt.

Coach John Kakacek's Raiders rolled over Newport 38-6. Paul Petty skirted right end for a 18 yard touchdown to open the scoring. The second score came as Petty went around right end and muscled 11 yards for the score. Kakacek romped 9 yards for the final score of the first half.

On the fourth play of the second half Bodin hooked up with Bob Dubek on a 35 yard toss for the score. Midway in the half Ken Cash broke into the Newport backfield and smothered the play in the end zone for a safety. Bodin found Lagerstrom free for a 20 yard aerial score. Second line Q.B., Schmidt, tossed 17 yards to Dubek to complete the scoring.

No. 83 Reed Ano off for the last touchdown against Grant last Friday night. Reed had taken a 40 yard pass from Quarterback Chuck Chapman and then outran Grant defenders for the touchdown.

Taylor Rides To Glory

Ron Taylor of Antioch rode off with the first place trophy over 47 other entrants in the 250 cc. Suzuki Class in the Moto-Cross Races at Verona, Wisconsin last Sunday, Sept. 26.

The races, sponsored by the Madison Motorcycle Club, are held on an exceptionally tricky, winding downhill course. The winner is determined by point total as the result of three 15 minute heats. Ron's record over the three heats was: 1st heat, 4th place; 2nd heat, 1st place and third heat, 2nd place.

FALL COLORS ON DISPLAY

Botanists explain fall color displays as a chemical reaction - a perfectly logical result of the season's shorter hours of sunlight - but for the viewer, another dimension is all important, a never-to-be-forgotten view of magnificent scenery.

September, October and November mark the days of Indian summer. The forest hills are on fire. And water, especially in rivers and streams, brings out the boldest and most beautiful colors, magnifying them and - at the same time - contrasting. Luminous maples burning oaks and shimmering birch trees rim lakes and streams. There are fields golden with harvests and orchards red with apples. Golds, reds, brown are everywhere, reflected by water and accented by the clear blue

autumn skies.

The Chicago Motor Club Touring Department points out that our midwest area has some of the best fall color scenery. While it is impossible to predict fall color peaks exactly, here are some Chicago Motor Club guidelines for Illinois, Indiana, Wisconsin and Michigan. The club emphasizes that weather can effect not only the timing of fall color appearance, but also its intensity.

"Blue" Harris 191 - 533 showed the way for Open Door Tavern to win three from The Arbor Lounge. Lou Portalski 169 - 438 for The Arbor.

The Limerick Lounge

dropped a pair to Red Arrow Tavern. Frank Helsemann 214 - 547 for Limerick and Bob Hughes 179 - 495 on Red Arrow.

Bernie Pulg 189 - 517 paced Bruce and Kay's to three winning games over Jim Page 160 - 450 and The Angels Team.

TOPS JOIN RALLY

Tops Cheerful Losers of Antioch, Illinois took part in the 5th annual rally of Lake County Tops held at the Little Fort School in Waukegan, Illinois on September 24, 1971 at 7:30 P.M.

One of the Cheerful Losers, Ruth Heath, was honored as the winner of the two month contest. From the 18 clubs in Lake County, 14 had participants in this year's contest. Ruth Heath, Co-leader of the local club, was the winner in this competition with a loss of 27¼ lbs. She was presented with cologne and a billfold at the county level.

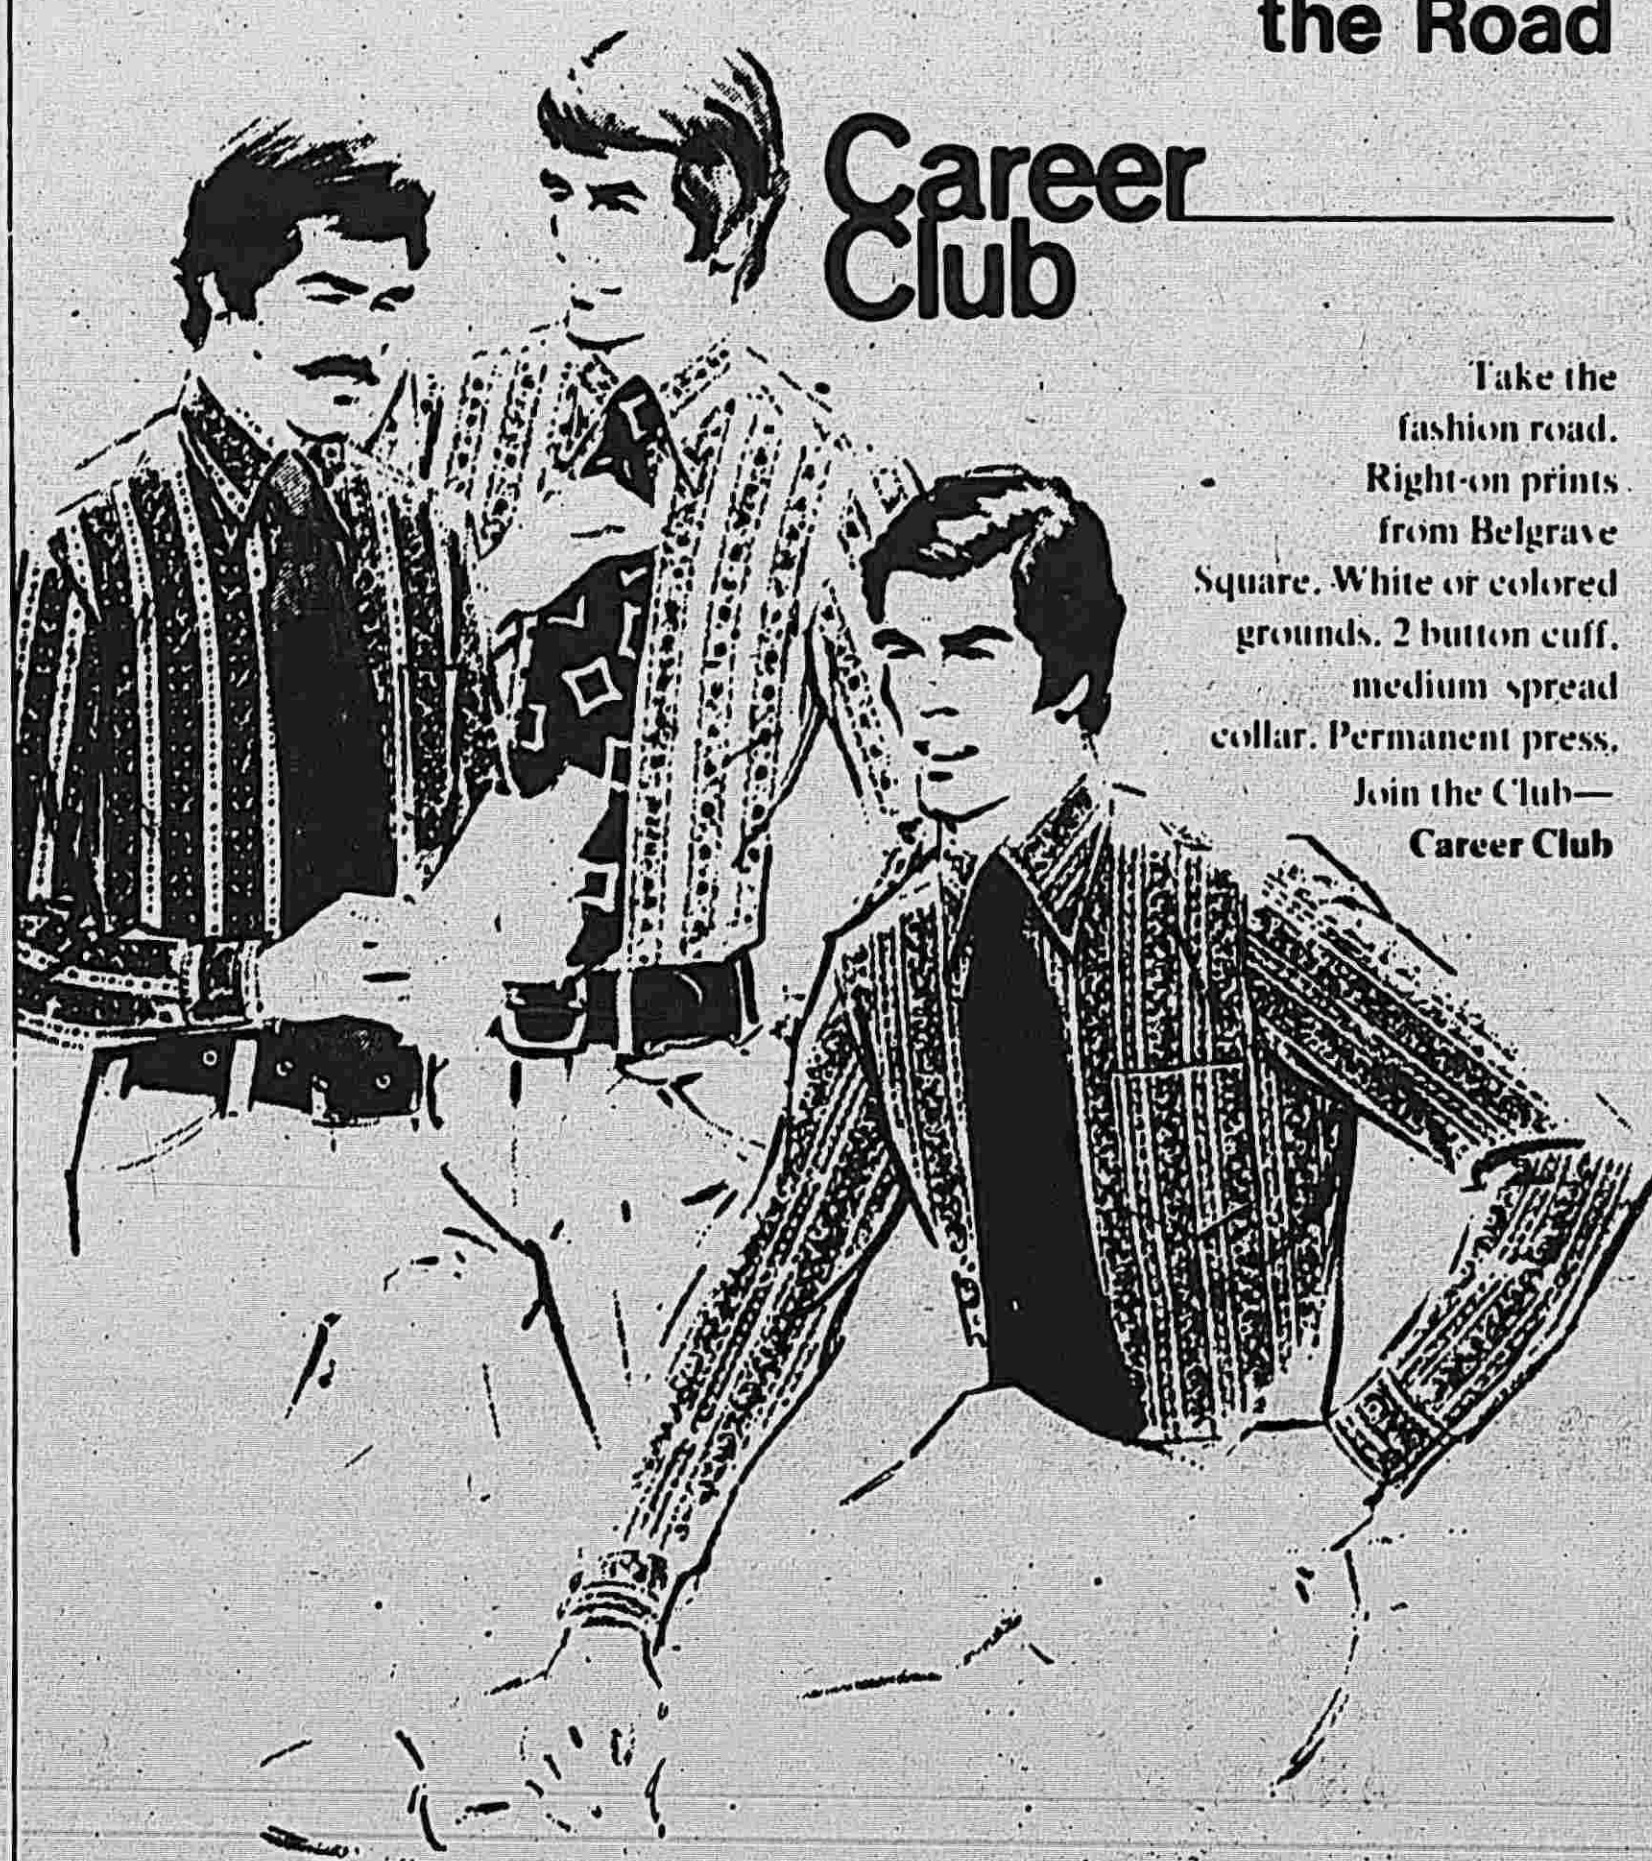

Also recognized at the rally was the Local Chapter Queen for 1970, Lois Svendsen. Both girls were presented with mum corsages from the local chapter.

Florence Kroch, local weight recorder, was presented with her 3rd perfect attendance award.

Other members attending were Mrs. Audrey Strauss, Leader; Mrs. Carol Cable, Secretary; Mrs. Stella Wules, Treasurer, Mrs. Marion Garrett, reporter and Mrs. Marge Buck-er.

Information about Tops can be had by calling 395-5128 or 414-862-6485.

FRESHMEN GRIDERS

Antioch's Freshman football team won its first game of the young season last Saturday by pulling out a thrilling 14-6 victory. The junior Sequoits trailed 6-0 going into the fourth quarter when they suddenly came alive. Starting on their own 35 yard line, the team moved the ball on the ground all the way to score. MIKE JONES scored the touchdown on a 3 yard run. The PAT was no good and the score stood 6-6.

Antioch stopped Grant on the Antioch 39 when BILL

PETTY intercepted a Bulldog pass. With only 58 seconds left, Antioch began its victory drive. The big plays were a 15 yard sweep by LARRY SMITH and two passes to MIKE PER-RONE, one for 26 yards and last one for 34 yards and a touchdown. The score came with only 8 seconds on the clock. SMITH ran the PAT across to bring the final score to 14-6.

This Saturday Antioch travels to Lake Forest for two games with the powerful Scouts. Game time is 9:30.

Quite a bunch of winners! Holding the Antioch Drug 1st Place Babe Ruth League trophy are (left to right) Mark Maras, Judd Smith and Mike Gutowski with their Manager (center background) Bill Underhill. Next are the winners of the Antioch Little League 1st place trophy, the Yankees, Dick Kessler next to Johnny Morris, sportscaster for Channel 5 TV newsteam who spoke at the banquet, and Brian McGrain; Lenny Benning (Member of Babe Ruth team), Dave Lagerstrom and the manager of the Yankees, Richard Kessler. The trophies were awarded at the recent sports banquet held at Bristol Oaks Country Club.

Little League Banquet Hosts 450

The Annual Antioch Little League banquet was held this year at the Bristol Oaks Country Club, Bristol, Wisconsin. Over 450 boys and their parents gathered together to enjoy a delicious meal and receive awards for an active year of baseball.

The Rev. Phillip Laurin, Pastor of St. Stephen's Lutheran church, Antioch gave the opening prayer.

Glen Beckert of the Chicago Cubs was unable to be present due to a recent injury. Johnny Morris, ex-Chicago Bear, and sports-caster, replaced him, and spoke about his past experiences in the sports world, good sportsmanship, and the Chicago Cubs. As he had to appear on the 10:15 news in Chicago, he shortened his speech, let the boys ask a few questions, and remained to draw the winning tickets for the Beef Raffle. The winners were; Chris H. Aas of Prospect Hts, Ill who won a half a Steer; Milo Bailey of Antioch won a hind quarter; and Stan Sedlar-skis of Lake Villa won a Fore quarter.

A special thanks to the State Bank for donating the Beef,

and also to the Lions Club, who sponsored the Raffle. The money will go toward the expenses of the Little League.

Representing Mayor Ray Toft was Trustee Irv Walsh. He presented the Manager of the year award to Mr. Dick Kessler. He also accepted a plaque which names the winner of the annual Round Robin, which is played at the end of the season. This is the third year in a row the Yankees have won.

President Bob Caldwell then presented the 2nd Place Trophy won by the tournament team in the Gurnee Invitational Tournament. This trophy will be placed in the Council Chambers in Antioch.

The Minor League Vice-President, Richard Proctor then introduced Manager, Bill Bailey of the Pirates, who presented his first place team with their trophies. Manager George Skopek then presented the second place Tigers with their trophies.

At this point, all Little League teams were introduced and the graduating trophies were given to the 12 year olds. Each sponsor was also introduced. Helping to hand out all

trophys, was Mr. Richard Daniel, representing the Lions Club.

The first place Yankees stepped forward and received their individual trophies from Manager Dick Kessler. Mr. Ray Scarpelli received the trophy for the sponsor, Teresi Chev-Olds.

Mr. Tom Poulos Manager of the 2nd Place Orioles then introduced his sponsor, Don Walsh of Walsh's All Seasons, and gave him the 2nd place trophy. The boys were introduced and given their individual trophies.

President Caldwell introduced two new managers for this past year Mr. Dave Miller, manager of the Giants; Mr. Norm Thibedeau of the Dodgers. As new managers, they were also presented with a trophy. The Babe Ruth teams were next on the program. All teams and sponsors were introduced. The First place Antioch

Drug Team came forward and received their trophies from Manager, Bill Underhill. He introduced Mr. Mendrella who accepted the first place trophy. Special mention was given at this time to the hard work given by Mr. Underhill, and the boys, who won the District Championship.

Mr. Dick Witt, manager of the Advertiser team introduced Mr. Toby, sponsor of the second place team, who accepted the trophy. All the boys came forward and received their individual trophies.

See you next year....

The banquet was a fine finish for a successful Little League Season.

Kickoff - 9 Seconds Later - T. D.

Sequoit Head Coach Roy Nelson giving instructions to Team Captain Ken Tell during the Grant game last Friday night.

ACHS defeats Grant

L. Forest Next

Greg Crutchfield No. 23 - Sequoit Half Back on the way to a 85 yard opening Kick-Off return for games first touchdown. See picture above.

(from Sequoit Head Coach Roy Nelson)

We're going to have to work hard to be ready for Lake Forest. We are down to 27 boys and the Antioch - Lake Forest games are always rough. There is a strong rivalry between the two teams and the games have always been good.

Our problem will be to stop the running game of Lake Forest. Their outstanding back is Olufa, a senior Half Back

who was all-conference and all-county last year. He is the one the boys will have to stop. Lake Forest does not throw the long one too much, but they do throw into the flats a lot, which we will have to work on.

Also, according to head coach Nelson, a great deal of the success that the team has had in their first two games is because of the outstanding job his two assistant coaches are doing. Bruce Bartoz is working with the line and Ted DeRouse with the backfield.

12th MAN

Before our ball game with Grant Friday night, Coach DeRousse told us to score fast, the first time we get the ball. Well, I don't think we could have scored much faster than we did, as Greg Crutchfield ran back the opening kickoff 85 yards for a touchdown.

We expected the Bulldogs to pass a lot, which they did. Anderson, who is a fine passer completed 13 of 32 passes for 206 yards, but they couldn't rack up the big score which they are supposedly capable of. Their biggest problem was not having enough protection. Our defensive front four, ends Jim Revell and Ken Tell, and tackles Jim Mihovolovich and Dave Donica put on a heavy rush. In the secondary, Crutchfield picked off two Anderson passes and returned one of them 65 yards for a TD.

Grant has 47 players on its varsity squad as compared to our 27, but I think we proved Friday night that quantity does not beat quality. I think we might have had them beaten psychologically before the game even started by our polished manner of coming onto the field and doing our warm ups.

The Bulldogs are definitely an improved team over last year, but they're a long way from the toughest teams we'll play this season. I think we're all disappointed in ourselves for letting down in the second half. 7 points hardly compares to 38 which we scored in the first half. If we're going to win the championship this year, we'll have to put out 100 percent in every quarter.

THE RIFLES of L.C.

The Rifles are on the road to recovery.

The Lake County Rifles started off a three-game home-stand in style Saturday night at Carmel Stadium in Mundelein with a 27-3 victory over the rival Racine Raiders.

Building their Central States Football League record to 3-3, the Rifles will host the Rockford Rams this Saturday and Manitowoc the following week to close out their home season.

A special ticket plan for the last two home games will allow all children in for 50 cents each, with seating in the East stands.

Lake County scored three times in the fourth quarter to run away from Racine as quarterback Johnny Dobbs threw two touchdown passes to all-league split end Bill Potter. Dobbs and fullback Karl Maio scored the other touchdowns, on runs of one and six yards.

All-league halfback Ron Jurawicz led the 159-yard rushing attack with 66 yards in 22 carries and rookie Steve Pelot,

getting his first league start, carried 10 times for 39 yards. Maio picked up 44 yards in 10 trips.

Potter had four receptions for 75 yards as Dobbs completed six of 18 passes. The Lake County defense allowed Racine just 12 yards rushing and 98 passing with Chuck Burgoon, Terry Wanless and Oscar Young getting interceptions.

Lake County 0 - 7 - 0 - 20 - 27

Racine 0 - 3 - 0 - 0 - 3

Racine - O'Dell, 37 yard field goal.

Lake County - Potter, 27 yard pass from Dobbs (Roder kick).

Lake County - Maio, 6 yard run (kick failed).

Lake County - Dobbs, 1 yard run (Roder kick).

Lake County - Potter, 30 yard pass from Dobbs (Roder kick).
